In the event of any partial assignment, the assignee shall not be deemed the Developer, but may exercise such rights of Developer as are specifically assigned to it. Any such assignment may be made on a nonexclusive basis. The rights of Developer under this Declaration are independent of the Developer's rights to control the Board of Directors of the Association, and, accordingly, shall not be deemed waived, transferred or assigned to the Unit Owners, the Board or the Association upon the transfer of control of the Association.

2.18 "Dispute", for purposes of Section 18.1, means any disagreement between two or more parties that involves: (a) the authority of the Board, under any law or under this Declaration, the Articles or By-Laws to: (i) require any Owner to take any action, or not to take any action, involving that Owner's Unit; or (ii) alter or add to a Common Element; or (b) the failure of the Association, when required by law or this Declaration, the Articles or By-Laws to: (i) properly conduct elections; (ii) give adequate notice of meetings or other actions; (iii) properly conduct meetings; or (iv) allow inspection of books and records. 3. Description of Condominium.

3.1 Identification of Units. The Condominium Property consists of the Realty together with the Building, being two (2) separate structures: a two (2) story structure located on the northern portion of the Realty and a separate one (1) story structure located on the southern portion of the Realty, and together with the other Improvements located on the Realty. The Building contains a total of ten (10) Units. Each such Unit is identified by a separate numerical designation. The designation of each of such Units is set forth on Exhibit "2" attached hereto. Exhibit "2" consists of a survey of the Realty, a graphic description of the Improvements located thereon, including, but not limited to, the Building in which the Units are located, and a plot plan thereof. Said Exhibit "2", together with this Declaration, is sufficient in detail to identify the Common Elements and each Unit and their relative locations and dimensions. There shall pass with a Unit as appurtenances thereto: (a) an undivided share in the Common Elements and Common Surplus; (b) the exclusive right to use such portion of the Common Elements as may be provided in this Declaration; (c) an exclusive easement for the use of the airspace occupied by the Unit as it exists at any particular time and as the Unit may lawfully be altered or reconstructed from time to time, provided that an easement in airspace which is vacated shall be terminated automatically; (d) membership in the Association with the full voting rights appurtenant thereto; and (e) other appurtenances as may be provided by this Declaration.

3.2 Unit Boundaries. Each Unit shall include that part of the Building containing the Unit that lies within the following boundaries:

(a) Upper and Lower Boundaries. The upper and lower boundaries of the Unit shall be the following boundaries extended to their planar intersections with the perimetrical boundaries:

(i) Upper Boundaries. The horizontal plane of the finished and undecorated ceilings of the Unit extended to meet the perimetrical boundaries.

(ii) Lower Boundaries. The horizontal plane of the upper surface of the finished and undecorated floor of the Unit extended to meet the perimetrical boundaries.

(b) Perimetrical Boundaries. The perimetrical boundaries of the Unit shall be finished and undecorated interior surfaces of the perimeter walls of the Unit as shown on Exhibit "2" extended to their planar intersections with each other and with the upper and lower boundaries, and the planes of the interior surfaces of the Unit's doors, windows, and other openings that abut the exterior of the Building or Common Elements, including Limited Common Elements,

(c) Apertures. Where there are openings in any boundary, including, without limitation, windows, doors and skylights, the boundaries of the Units shall extend to the interior unfinished surfaces of the coverings of such openings and their frameworks; and therefore windows, doors, screens, and all framing, casings and hardware are excluded from the Unit.

(d) Exceptions. In cases not specifically covered above, and/or in any case of conflict or ambiguity, the survey of the Units set forth as Exhibit "2" hereto shall control in determining the boundaries of a Unit, except that the provisions of Section (c) above shall control unless specifically depicted and labeled otherwise on such survey. Further, the Units shall be deemed not to include any pipes, wiring ducts or other utility installations that are physically within the above-described boundaries, but which serve other Units or the Common Elements; and such utility installations shall be Common Elements.

3.3 Easements. The following easements are hereby created (in addition to any easements created under the Act and any easements affecting the Condominium Property and recorded in the Public Records of the County):

(a) Support. Each Unit and any structure and/or improvement now or hereafter constructed within upon the Condominium Property shall have an easement of support and of necessity and shall be subject to an easement of support and necessity in favor of all other Units, the Common Elements and such other improvements constructed upon the Condominium Property.

(b) Utility and Other Services; Drainage. Easements are reserved under, through and over the Condominium Property as may be required from time to time for utility, cable television, communications and monitoring systems, and other services and drainage in order to serve the Condominium and/or members of the Association. A Unit Owner shall do nothing within or outside his Unit that interferes with or impairs, or may interfere with or impair, the provision of such utility, cable television, communications and security systems, or other service or drainage facilities or the use of these easements. The Association shall have a right of access to each Unit to maintain, repair or replace any Common Element, pipes, wires, ducts, vents, cables, conduits and other utility, cable television, communications and similar systems, hot water heaters, service and drainage facilities, and Common Elements contained in the Unit or elsewhere in or around the Condominium Property, and to remove any Improvements interfering with or impairing such facilities or easements herein reserved; provided such right of access, except in the event of an emergency, shall not unreasonably interfere with the Unit Owner's permitted use of the Unit, and except in the event of an emergency, entry shall be made on not less than one (1) days' notice (which notice shall not, however, be required if the Unit Owner is absent when the giving of notice is attempted).

(c) Encroachments. if (i) any portion Of the Common Elements encroaches upon any Unit; (ii) any Unit encroaches upon any other Unit or upon any portion of the Common Elements; or (iii) any encroachment shall hereafter occur as a result of (1) construction of the Improvements and/or any "improvements" of or upon the Condominium Property; (2) settling or shifting of the Improvements; (3) any alteration or repair to the Common Elements made by or with the consent of the Association or Developer; or (4) any repair or restoration of the Improvements (or any portion thereof) or any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Unit or the Common Elements, then, in any such event, a valid easement shall exist for such encroachment and for the maintenance of same so long as the Improvements or the relevant "improvements", shall stand.

(d) Ingress and Egress. A non-exclusive easement in favor of each Unit Owner and resident, their guests and invitees, for each member of the Association (and its and their guests, tenants and invitees) shall exist for pedestrian traffic over, through and across such portions of the Units as are intended to provide direct pedestrian access from the Common Elements to the applicable Unit.

(e) Construction; Maintenance. The Developer (including its designees, contractors, successors and assigns) shall have the right, in its (and their) sole discretion from time to time, to enter the Condominium Property and take all other action necessary or convenient for the purpose of completing the construction of any and all Improvements or Units located or to be located on the Condominium Property, and for repair, replacement and maintenance or warranty purposes or where the Developer, in its or their sole discretion, determines that it is required or desires to do so.

(f) **Sales Activity.** For as long as there are any Units owned by the Developer, the Developer, its designees, successors and assigns, shall have the right to use any such Units and parts of the Common Elements or Association Property for guest accommodations, model apartments and sales, leasing and construction offices relating to the Condominium, to show model Units and the Common Elements to prospective Purchasers and tenants of Units, and to erect on the Condominium Property and Association Property signs and other promotional material to advertise or otherwise market the Units, and/or any facilities built or to be constructed upon any portion of the Condominium Property, for sale, lease or occupancy.

(g) **Warranty.** For as long as Developer remains liable under any warranty, whether statutory, express or implied, for act or omission of Developer in the development, construction, sale and marketing of the Condominium, then Developer and its contractors, agents and designees shall have the right, in Developer's sole discretion and from time to time, to enter the Common Elements for the purpose of making any necessary inspections, tests, repairs, improvements and/or replacements required for the Developer to fulfill any of its warranty obligations. Failure of the Association or any Unit Owner to grant such access may result in the appropriate warranty being nullified and of no further force or effect. **Nothing herein shall be deemed or construed as the Developer making or offering any warranty, all of which are disclaimed (except to the extent same may not be) as set forth in Section 22 below.**

(h) **Additional Easements.** The Association, through its Board, on the Association's behalf and on behalf of all Unit Owners (each of whom hereby appoints the Association as its attorney-in-fact for this purpose), shall have the right to grant such additional general ("blanket") and specific electric, gas or other utility, cable television, security systems, communications or service easements (and appropriate bills of sale for equipment, conduits, pipes, lines and similar installations pertaining thereto), or modify or relocate any such existing easements or drainage facilities, in any portion of the Condominium and/or Association Property, and to grant access easements or relocate any existing access easements in any portion of the Condominium and/or Association Property, as the Board shall deem necessary or desirable for the proper operation and maintenance of the Improvements, or any portion thereof, or for the general health or welfare of the Unit Owners and/or members of the Association, or for the purpose of carrying out any provisions of this Declaration, provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the reasonable use of the Units for their intended purposes.

4. **Restraint Upon Separation and Partition of Common Elements.** The undivided share in the Common Elements and Common Surplus and the Limited Common Elements which is appurtenant to a Unit, shall not be separated therefrom and shall pass with the title to the Unit, whether or not separately described. The appurtenant share in the Common Elements and Common Surplus and Limited Common Elements, except as elsewhere herein provided to the contrary, cannot be conveyed or encumbered except together with the Unit. The respective shares in the Common Elements and the Limited Common Elements appurtenant to Units shall remain undivided, and no action for partition of the Common Elements, the Limited Common Elements, the Condominium Property, or any part thereof, shall lie, except as provided herein with respect to termination of the Condominium.

5. **Ownership of Common Elements and Common Surplus and Share of Common Expenses; Voting Rights; Limited Common Elements.**

5.1 **Fractional Ownership and Shares.** The undivided fractional interest in the Common Elements and Common Surplus, and the fractional share of the Common Expenses, appurtenant to each Unit, is a fraction, the numerator of which is one (1) and the denominator of which is ten (10), being the total number of Units in the Condominium.

5.2 **Voting.** Each Unit shall be entitled to one vote to be cast by its Owner in accordance with the provisions of the By-Laws and Articles of Incorporation of the Association. Each Unit Owner shall be a member of the Association.

5.3 **Limited Common Elements; Parking Spaces.** The Condominium Property shall contain patio areas and other specifically designated areas attached to certain Units, for the exclusive use of that appurtenant Unit, the Owners thereof and their guests and invitees. Certain patio areas shall be assigned to certain Units as shown and depicted on Exhibit "2" attached hereto. The above facilities shall constitute Limited Common Elements and, as such, are reserved for the use of the Unit appurtenant thereto, to the exclusion of other Units, and there shall pass with each Unit as an appurtenance thereto the exclusive right to use the Limited Common Elements so appurtenant. Notwithstanding the designation of the patio areas and other areas as Limited Common Elements, expenses of the maintenance and repair of these items shall be assessed in the same proportion as for the maintenance and repair of Common Elements as provided for herein. However, maintenance and repair of the interior of the patio areas shall be the responsibility of the Owner of the Unit to which the Limited Common Element is appurtenant. Any air-conditioning equipment servicing only one Unit located outside a Unit or partially outside a Unit shall be a Limited Common Element and, pursuant to Section 7.3 below, repairs shall be the responsibility of the Owner of the Unit serviced by the air-conditioning equipment. Except as herein otherwise specifically provided, any part of the Common Elements that is connected to

and exclusively serves a single Unit and is specifically required under Section 7.3 hereof to be maintained, repaired or replaced by, or at the expense of, the Unit Owner, shall be deemed a Limited Common Element.

Parking spaces shall not be specifically assigned to Units and shall be deemed to be for the use of all Unit Owners, their guests, invitees and licensees and such parking spaces shall be used in accordance with the rules and regulations promulgated from time to time by the Association.

5.4 Appurtenances. Each Unit shall have appurtenant thereto an undivided interest as herein set forth, in the Common Elements and in the Limited Common Elements. The fee title to each Unit shall include both the Unit and the undivided interest in the Common Elements and the Limited Common Elements; and said undivided interest shall be deemed to be conveyed or encumbered with its respective Unit even though the description in the instrument of conveyance or encumbrance may refer only to the fee title of that Unit. Any attempt to separate the fee title of a Unit from the undivided interest in the Common Elements and the Limited Common Elements appurtenant to such Unit shall be null and void.

6. **Amendments.** Except as elsewhere provided herein, amendments may be effected as follows:

6.1 By The Association. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered. A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board of Directors of the Association or by not less than one-third (1/3) of the Unit Owners. Except as elsewhere provided, approvals must be by an affirmative vote representing in excess of 75% of the voting interests of all Unit Owners. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval or disapproval, provided that such may not be used as a vote for or against the action taken and may not be used for purposes of creating a quorum.

6.2 Material Amendments. Unless otherwise provided specifically to the contrary in this Declaration, no amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, permit Timeshare Estates, or change the percentage by which the Owner of a Unit shares the Common Expenses and owns the Common Elements and Common Surplus (any such change or alteration being a "Material Amendment"), unless the record Owner(s) thereof, and all record owners of mortgages or other liens thereon, shall join in the execution of the amendment and the amendment is otherwise approved by in excess of 75% of the voting interests of Unit Owners. The (i) acquisition of property by the Association, (ii) material alteration or substantial addition to such property or the Common Elements by the Association, and (iii) installation, replacement and maintenance of approved hurricane shutters, if in accordance with the provisions of this Declaration, shall not be deemed to constitute a material alteration or modification of the appurtenances of the Units, and accordingly, shall not constitute a Material Amendment.

6.3 Mortgagee's Consent. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to mortgagees of Units without the consent of said mortgagees in each instance; nor shall an amendment make any change in the sections hereof entitled "Insurance", "Reconstruction or Repair after Casualty", or "Condemnation" unless the Primary Institutional First Mortgagee shall join in the amendment. Except as specifically provided herein or if required by FNMA or FHLMC, the consent and/or joinder of any lien or mortgage holder on a Unit shall not be required for the adoption of an amendment to this Declaration and, whenever the consent or joinder of a lien or mortgage holder is required, such consent or joinder shall not be unreasonably withheld.

6.4 By The Developer. Notwithstanding anything herein contained to the contrary, during the time the Developer has the right to elect a majority of the Board of Directors of the Association, the Declaration, the Articles of Incorporation or the By-Laws of the Association may be amended by the Developer alone, without requiring the consent of any other party, to effect any change whatsoever, except for an amendment to effect a "Material Amendment", which must be approved, if at all, in the manner set forth in Section 6.2 above. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer, without the consent of the Developer in each instance.

6.5 Execution and Recording. An amendment, other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association, executed either by the President of the Association or a majority of the members of the Board of Directors which shall include recording data identifying the Declaration and shall be executed with the same formalities required for the execution of a deed. An amendment of the Declaration is effective when the applicable certificate is properly recorded in the public records of the County. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the

full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Declaration. See provision . . . for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly adopted amendment.

7. Maintenance and Repairs.

7.1 Units. All maintenance, repairs and replacements of, in or to any Unit, whether structural or nonstructural, ordinary or extraordinary, foreseen or unforeseen, including, without limitation, maintenance, repair and replacement of windows, window coverings, interior nonstructural walls, the entrance door and all other doors within or affording access to a Unit, and the electrical (including wiring), plumbing (including fixtures and connections), heating and air conditioning equipment, fixtures and outlets, appliances, carpets and other floor coverings, all interior surfaces and the entire interior of the Unit lying within the boundaries of the Unit or other property belonging to the Unit Owner, shall be performed by the Owner of such Unit at the Unit Owner's sole cost and expense, except as otherwise expressly provided to the contrary herein.

7.2 Common Elements and Association Property. Except to the extent (i) expressly provided to the contrary herein, or (ii) proceeds of insurance are made available therefor, all maintenance, repairs and replacements in or to the Common Elements and Association Property shall be performed by the Association and the cost and expense thereof shall be charged to all Unit Owners as a Common Expense, except to the extent arising from or necessitated by the negligence, misuse or neglect of specific Unit Owners, in which case such cost and expense shall be paid solely by such Unit Owners.

7.3 Specific Unit Owner Responsibility. The obligation to maintain and repair any air conditioning equipment, plumbing or electrical fixtures or other items of property which service a particular Unit or Units (including, but not limited to windows, doors, screens, skylights, and all framing, casings and hardware related thereto) shall be the responsibility of the applicable Unit Owners, individually, and not the Association, without regard to whether such items are included within the boundaries of the Units.

8. Additions, Alterations or Improvements by Unit Owner.

8.1 Consent of the Board of Directors. No Unit Owner (other than the Developer) shall make any addition, alteration or improvement in or to the Common Elements, the Association Property, or his Unit without the prior written consent of the Board of Directors. The Board shall have the obligation to answer, in writing, any written request by a Unit Owner for approval of such an addition, alteration or improvement within thirty (30) days after such request and all additional information requested is received, and the failure to do so within the stipulated time shall constitute the Board's consent. The Board may condition the approval in any manner, including, without limitation, retaining approval rights of the contractor to perform the work. The proposed additions, alterations and improvements by the Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, and with any conditions imposed by the Association with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise. Once approved by the Board of Directors, such approval may not be revoked. A Unit Owner making or causing to be made any such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner, and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, the Developer, and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium Property, Association Property, and/or the Units and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof from and after that date of installation or construction thereof as may be required by the Association. The Association's rights of review and approval of plans and other submissions under this Declaration are intended solely for the benefit of the Association. Neither the Developer, the Association, nor any of its officers, directors, employees, agents, contractors, consultants or attorneys shall be liable to any Owner or any other person by reason of mistake in judgment, failure to point out or correct deficiencies in any plans or other submissions, negligence, or any other misfeasance, malfeasance or non-feasance arising out of or in connection with the approval or disapproval of any plans or submissions. Anyone submitting plans hereunder, by the submission of same, and any Owner, by acquiring title to same, agrees not to seek damages from the Developer, and/or the Association, arising out of the Association's review of any plans hereunder. Without limiting the generality of the foregoing, the Association shall not be responsible for reviewing, nor shall its review of any plans be deemed approval of, any plans from the standpoint of structural safety, soundness, workmanship, materials, usefulness, conformity with building or other codes or industry standards, or compliance with governmental requirements. Further, each Owner (including the successors and assigns) agrees to indemnify and hold the Developer and the Association harmless from and against any and all costs, claims (whether rightfully or wrongfully

asserted), damages, expenses or liabilities whatsoever (including, without limitation, reasonable attorneys' fees and court costs at all trial and appellate levels), arising out of any review of plans hereunder. The foregoing provisions shall not be applicable to any Unit owned by the Developer. The provisions of this Section 8.1 shall not be amended without an affirmative vote of 4/5ths of the total voting interests in the Condominium.

8.2 Improvements, Additions or Alterations by Developer. Anything to the contrary notwithstanding, the foregoing restrictions of this Section 8 shall not apply to Developer owned Units. The Developer shall have the additional right, without the consent or approval of the Board of Directors or other Unit Owners, but without obligation, to (a) make interior alterations, additions or improvements, structural and non-structural, ordinary and extraordinary, in, to and upon any Unit owned by it (including, without limitation, the removal of walls, floors, ceilings and other structural portions of the Improvements), provided that no such alteration, addition or improvement shall result in a change in Unit boundaries or in the subdivision or combination of Units, and (b) expand, alter or add to all or any part of the recreational facilities. Any amendment to this Declaration required by a change made by the Developer pursuant to this Section 8.2 shall be adopted in accordance with Section 6 hereinabove.

9. Operation of the Condominium by the Association; Powers and Duties.

9.1 Powers and Duties. The Association shall be the entity responsible for the operation of the Condominium and the Association Property. The powers and duties of the Association shall include those set forth in the By-Laws and Articles of Incorporation of the Association (which By-Laws and Articles are attached hereto as Exhibits "3" and "4", respectively) as amended from time to time. In addition, the Association shall have all the powers and duties set forth in the Act, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:

- (a) The irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for pest control purposes and for the maintenance, repair or replacement of any Common Elements or any portion of a Unit, if any, to be maintained by the Association, or at any time and by force, if necessary, to prevent damage to the Common Elements, the Association Property or to a Unit or Units, including, without limitation, (but without obligation or duty) to close hurricane shutters in the event of the issuance of a storm watch or storm warning.
- (b) The power to make and collect Assessments and other charges against Unit Owners and to lease, maintain, repair and replace the Common Elements and Association Property.
- (c) The duty to maintain accounting records according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times upon prior request.
- (d) The power to contract for the management and maintenance of the Condominium Property and to authorize a management agent (who may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of Common Elements with such funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted in the Condominium documents and the Condominium Act, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.
- (e) The power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, if any, provided that such actions are approved by a majority of the entire membership of the Board of Directors and a majority of the Units represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board or Unit Owners as may be specified in the By-Laws with respect to certain borrowing.
- (f) The power to adopt and amend rules and regulations concerning the details of the operation and use of the Condominium and Association Property.
- (g) The power to acquire, convey, lease and encumber real and personal property. Personal property shall be acquired, conveyed, leased or encumbered upon a majority vote of the Board of Directors, unless the cost thereof exceeds \$10,000.00 in which event the acquisition shall require an affirmative vote of not less than 2/3rds of the voting interests. Real property shall be acquired, conveyed, leased or encumbered upon a majority vote of the Board of Directors alone and an affirmative vote of not less than 2/3rds, of the voting interests; provided, however, that the acquisition of any Unit as a result of a foreclosure of the lien for Assessments (or by deed in lieu of foreclosure) shall be made upon the majority vote of the Board, regardless of the price for

same and the Association, through its Board, has the power to hold, lease, mortgage or convey the acquired Unit(s) without requiring the consent of Unit Owners. The expenses of ownership (including the expense of making and carrying any mortgage related to such ownership), rental, membership fees, taxes, Assessments, operation, replacements and other expenses and undertakings in connection therewith shall be Common Expenses.

(h) The power to execute all documents or consents, on behalf of all Unit owners (and their mortgagees), required by all governmental and/or quasi-governmental agencies in connection with land use and development matters (including, without limitation, plats, waivers of plat, unities of title, covenants in lieu thereof, etc.), and in that regard, each Owner, by acceptance of the deed to such Owners Unit, and each mortgagee of a Unit Owner by acceptance of a lien on said Unit, appoints and designates the President of the Association, as such Owner's agent and attorney-in-fact to execute any and all such documents or consents.

(i) All of the powers which a corporation not for profit in the State of Florida may exercise pursuant to this Declaration, the Articles of Incorporation, the Bylaws, Chapters 607 and 617, Florida Statutes and the Act, in all cases except as expressly limited or restricted in the Act.

In the event of conflict among the powers and duties of the Association or the terms and provisions of this Declaration, exhibits attached hereto or otherwise, this Declaration shall take precedence over the Articles of Incorporation, By-Laws and applicable rules and regulations; the Articles of Incorporation shall take precedence over the By-Laws and applicable rules and regulations; and the By-Laws shall take precedence over applicable rules and regulations, all as amended from time to time. Notwithstanding anything in this Declaration or its exhibits to the contrary, the Association shall at all times be the entity having ultimate control over the Condominium, consistent with the Act.

9.2 Limitation Upon Liability of Association. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Unit Owners regardless of whether or not same shall have been approved by the Association pursuant to Section 8.1 hereof. The Association also shall not be liable to any Unit Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Association did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby; or (ii) the Association could not obtain such insurance at reasonable costs or upon reasonable terms.

9.3 Restraint Upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

9.4 Approval or Disapproval of Matters. Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for that Unit if at an Association meeting, unless the joinder of all record Owners of the Unit is specifically required by this Declaration or by law.

9.5 Acts of the Association. Unless the approval or action of Unit Owners, and/or a certain specific percentage of the Board of Directors of the Association, is specifically required in this Declaration, the Articles of Incorporation or By-Laws of the Association, applicable rules and regulations or applicable law, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors, without the consent of Unit Owners, and the Board may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.

9.6 Effect-on Developer. If the Developer holds a Unit for sale in the ordinary course of business, none of the following actions may be taken without the prior written approval of the Developer:

- (a) Assessment of the Developer as a Unit Owner for capital improvements;

(b) Any action by the Association that would be detrimental to the sales of Units by the Developer; provided, however, that an increase in Assessments for Common Expenses without discrimination against the Developer shall not be deemed to be detrimental to the sales of Units.

10. **Determination of Common Expenses and Fixing of Assessments Therefor.** The Board of Directors shall from time to time, and at least annually, prepare a budget for the Condominium and the Association, determine the amount of Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the By-Laws. The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the Assessments payable by each of them as determined by the Board of Directors as aforesaid and shall furnish copies of the budget, on which such Assessments are based, to all Unit Owners and (if requested in writing) to their respective mortgagees. The Common Expenses shall include the expenses of and reserves for (if required by, and not waived in accordance with, applicable law) the operation, maintenance, repair and replacement of the Common Elements and Association Property, costs of carrying out the powers and duties of the Association and any other expenses designated as Common Expenses by the Act, this Declaration, the Articles or By-Laws of the Association, applicable rules and regulations or by the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated. Any Budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of this Declaration and the By-Laws.

11. **Collection of Assessments.**

11.1 **Liability for Assessments.** A Unit Owner, regardless of how title is acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure shall be liable for all Assessments coming due while he is the Unit Owner. Additionally, a Unit Owner shall be jointly and severally liable with the previous Owner for all unpaid Assessments that came due up to the time of the conveyance, without prejudice to any right the Owner may have to recover from the previous Owner the amounts paid by the grantee Owner. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments are made or otherwise.

11.2 **Special and Capital Improvement Assessments.** In addition to Assessments levied by the Association to meet the Common Expenses of the Condominium and the Association, the Board of Directors may levy "Special Assessments" and "Capital Improvement Assessments" upon the following terms and conditions:

(a) "Special Assessments" shall mean and refer to a charge against each Owner and his Unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature which are not in the nature of capital improvements.

(b) "Capital Improvement Assessments" shall mean and refer to a charge against each Owner and his Unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from repairs and maintenance) of any capital improvements located or to be located within the Common Elements or Association Property.

(c) Special Assessments and Capital Improvement Assessments may be levied by the Board and shall be payable in lump sums or installments, in the discretion of the Board; provided that, if such Special Assessments or Capital Improvement Assessments, in the aggregate in any year, exceed \$125,000.00 or cause the total Assessments levied to exceed 115% of Assessments for the preceding calendar year, the Board must obtain approval of a majority of the Units represented at a meeting at which a quorum is attained.

11.3 **Default in Payment of Assessments for Common Expenses.** Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at fifteen percent (15%) per annum from the date due until paid and shall be subject to an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each delinquent installment. The Association has a lien on each Condominium Parcel to secure the payment of Assessments. Except as set forth below, the lien is effective from, and shall relate back to, the date of the recording of this Declaration. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien. The lien shall be evidenced by the recording of a claim of lien in the Public Records of the County. To be valid, the claim of lien must set forth the description of the Condominium Parcel, the name of the record Owner, the name and address of the Association, the amount due and the due dates, and the claim of lien must be executed and acknowledged by an officer or authorized officer of the Association. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of

settlement) have been fully paid or until it is barred by law. No such lien shall be effective longer than one (1) year after the claim of lien has been recorded unless, within that one (1) year period, an action to enforce the lien is commenced. The one (1) year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Owner or any other person claiming an interest in the Unit. The claim of lien shall secure (whether or not stated therein) all unpaid Assessments, which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable costs and attorneys' fees incurred by the Association incident to the collection, process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association may bring an action in its name to foreclose a lien for unpaid Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorneys' fees incurred either in a lien foreclosure action or an action to recover a money judgment for unpaid Assessments.

Additionally, each Owner of any Unit by acceptance of a deed therefor or other conveyance thereof, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to have assigned all rents, issues and profits (the "Collateral Assignment of Rents") on each such Unit to the Association, which Collateral Assignment of Rents shall become absolute upon default of such Unit owner hereunder.

As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid and after thirty (30) days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may declare the next twelve (12) months' of Assessment installments to be accelerated and immediately due and payable. In the event that the amount of such installments changes during the twelve (12) month period, the Unit Owner or the Association, as appropriate, shall be obligated to pay or reimburse to the other the amount of increase or decrease within ten (10) days of same taking effect.

11.4 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

11.5 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent. The expenses of such receiver shall be paid by the party which does not prevail in the foreclosure action.

11.6 Institutional First Mortgagee. The liability of an Institutional First Mortgagee, or its successor or assignees, who acquire title to a Unit by foreclosure or by deed in lieu of foreclosure for the unpaid Assessments (or installments thereof) that became due prior to the Institutional First Mortgagee's acquisition of title is limited to the lesser of

- (a) The Unit's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or
- (b) One percent (1%) of the original mortgage debt.

As to a Unit acquired by foreclosure, the limitations set forth in clauses (a) and (b) above shall not apply unless the Institutional First Mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association, however, is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discoverable by the mortgagee.

An Institutional First Mortgagee acquiring title to a Unit as a result of foreclosure or deed in lieu thereof may not, during the period of its ownership of such Unit, whether or not such Unit is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.

11.7 Developer's Liability for Assessments. During the period from the date of the recording of this Declaration until the earlier of the following dates (the "Guarantee Expiration Date"): (i) the last day of the fiscal year of the Association during which this Declaration is recorded, or (ii) the date that control of the Association is transferred to Unit Owners other than the Developer as provided in the By-Laws and the Act, the Developer shall not be obligated to pay the share of Common Expenses and Assessments attributable to the Units owned by the Developer, provided: (i) that the regular Assessments for Common Expenses imposed on each Unit Owner other than the Developer prior to the Guarantee Expiration Date shall not increase during such period over **\$1,278.56 per calendar quarter (\$5,114.23 per year)**, and (ii) that the Developer shall be obligated to pay any amount of Common Expenses actually incurred during such period and not produced by the Assessments at the guaranteed levels receivable from other Unit Owners and/or from income of the Association. After the Guarantee Expiration Date, the Developer shall have the option of (a) extending the guarantee for an additional period expiring upon the first to occur of (i) the 31st day of December, 2007, or (ii) the date that control of the Association is transferred to Unit Owners other than the Developer as provided in the By-Laws and the Act, or (iii) the date upon which the Developer's election to waive reserves for the Association expires; or (b) paying the share of Common Expenses and Assessments attributable to Units it then owns.

11.8 Certificate of Unpaid Assessments. Within fifteen (15) days after written request by a Unit Owner or mortgagee of a Unit, the Association shall provide a certificate stating all Assessments and other moneys owed to the Association by the Unit Owner with respect to his Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

11.9 Installments. Regular Assessments shall be collected monthly or quarterly, in advance, at the option of the Association. Initially, assessments will be collected quarterly.

11.10 Application of Payments. Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued on the delinquent installment(s) as aforesaid, then to any administrative late fees, then to any costs and reasonable attorneys' fees incurred in collection and then to the delinquent and any accelerated Assessments. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment.

12. Insurance. Insurance covering the Condominium Property and the Association Property shall be governed by the following provisions:

12.1 Purchase, Custody and Payment.

(a) Purchase. All insurance policies described herein covering portions of the Condominium and Association Property shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Florida.

(b) Approval. Each insurance policy, the agency and company issuing the policy and the insurance Trustee (if appointed) hereinafter described shall be subject to the approval of the Primary Institutional First Mortgagee in the first instance, if requested thereby.

(c) Named Insured. The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be deemed additional insureds.

(d) Custody of Policies and Payment of Proceeds. All policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee (if appointed), and all policies and endorsements thereto shall be deposited with the Insurance Trustee (if appointed).

(e) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy, or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.

(f) Personal Property and Liability. Except as specifically provided herein or by the Act, the Association shall not be responsible to Unit Owners to obtain insurance coverage upon the property lying within the boundaries of their Unit, including, but not limited to, their personal property, and for their personal liability and living expense and for any other risks not otherwise insured in accordance herewith.

12.2 Coverage. The Association shall maintain insurance covering the following:

(a) Casualty. The Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units and required by the Act to be insured under the Association's policies) and all Improvements located on the Common Elements and the Association Property from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Elements or Association Property (collectively the "Insured Property"), shall be insured in an amount not less than 100% of the full insurable replacement value thereof, excluding foundation and excavation costs. Notwithstanding the foregoing, the Insured Property shall not include, and shall specifically exclude, all furniture, furnishings, Unit floor coverings, wall coverings and ceiling coverings, other personal property owned, supplied or installed by Unit Owners or tenants of Unit Owners, and all electrical fixtures, appliances, air conditioner and heating equipment, water heaters and built-in cabinets, to the extent that any of same are required to be repaired or replaced by the Unit Owners. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief

(b) Liability. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$1,000,000 for each accident or occurrence, \$100,000 per person and \$50,000 property damage, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa. The Association may also obtain and maintain liability insurance for its directors and officers and for the benefit of the Association's employees.

(c) Worker's Compensation and other mandatory insurance, when applicable.

(d) Flood Insurance covering the Common Elements, Association Property and Units if required by the Primary Institutional First Mortgagee or FNMA/FHLMC, or if the Association so elects.

(e) Fidelity Insurance, if required by the Act or FNMA/FHLMC, covering all persons who control or disburse Association funds, such insurance to be in an amount not less than the greater of: (i) the maximum amount of funds that will be in custody of the Association or its management agent, if any, as any one time, or (ii) such greater amount as may be determined by the Board.

(f) Association Property. Appropriate additional Policy Provisions, policies or endorsements extending the applicable portions of the coverage described above to all Property, where such coverage is available.

(9) Such Other Insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association and against the Unit owners individually and as a group, (ii) to pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, a member of the Board of Directors of the Association, one or more Unit Owners or as a result of contractual undertakings. Additionally, each policy shall provide that any insurance trust agreement will be recognized, that the insurance provided shall not be prejudiced by any act or omissions of individual Unit Owners that are not under the control of the Association, and that the policy shall be primary, even if a Unit Owner has other insurance that covers the same loss.

Every casualty insurance policy obtained by the Association, if required by FNMA/FHLMC, shall have the following endorsements: (i) agreed amount and inflation guard, and (ii) steam boiler coverage (providing at least \$50,000 coverage for each accident at each location, if applicable).

12.3 Additional Provisions. All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days' prior written notice to all of the named insureds, including all mortgagees of Units. Prior to obtaining any Policy of casualty insurance or any renewal thereof, the Board of Directors may (or if required by FNMA/FHLMC, shall) obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected Pursuant to this Section.

12.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the costs of fidelity bonding for any management company employee may be paid by such company pursuant to its contract with the Association. Premiums may be financed in such manner as the Board of Directors deems appropriate.

12.5 Insurance Trustee; Share of Proceeds. All insurance policies obtained by or on behalf of the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the insurance Trustee which may be designated by the Board of Directors as provided in Section 13.10 below, and which, if so appointed, shall be a bank or trust Company in Florida with trust Powers, with its principal place of business in the State of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but shares need not be set forth On the records of the Insurance Trustee:

(a) Insured Property. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional Property as described in paragraph (b) below.

(b) Optional Property. Proceeds on account of damage solely to Units and/or certain portions or all of the contents thereof not included in the Insured Property (all as determined by the Association in its sole discretion) (collectively the "Optional Property"), if any is collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of owners of Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.

(c) Mortgagees. No mortgagee shall have any right to determine or Participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except for actual distributions thereof made to the Unit owner and mortgagee Pursuant to the provisions of this Declaration.

12.6 Distribution Of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:

(a) Expenses of the Trust. All expenses of the Insurance Trustee shall be first paid or provision shall be made therefor.

(b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining Proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being Payable jointly to them.

(c) Failure To Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 13.5 above, and distributed first to all Institutional First Mortgagees in an amount sufficient to pay off their mortgages, and the balance if any, to the beneficial owners.

(d) Certificate. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit owners and their mortgagees and their respective shares of the distribution.

12.7 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance Policies purchased by the Association and to execute, and deliver releases upon the payment of claims.

12.8 Unit Owners' Personal Coverage. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner due to accidents occurring within his Unit nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.

12.9 Benefit of Mortgagees. Certain provisions in this Section 12 entitled "Insurance" are for the benefit of mortgagees of Units and may be enforced by such mortgagees.

12.10 Appointment of Insurance Trustee. The Board of Directors of the Association shall have the option in its discretion of appointing an insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association will perform directly all obligations imposed upon such Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses.

12.11 Presumption as to Damaged Property. In the event of a dispute or lack of certainty as to whether damaged property constitutes a Unit(s) or Common Elements, such property shall be presumed to Common Elements.

13. **Reconstruction or Repair After Fire or Other Casualty.**

13.1 Determination to Reconstruct or Repair. Subject to the immediately following paragraph, in the event of damage to or destruction of the Insured Property (and the optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration of the Insured property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee (if appointed) shall disburse the proceeds of all insurance Policies to the contractors engaged in such repair and restoration in appropriate progress payments.

If 75% or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning 80% of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and a majority of Institutional First Mortgagees approve such resolution, the Condominium property will not be repaired and shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements (with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit), and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries of the Unit); provided, however, that no payment shall be made to a Unit owner until there has first been paid off out of his share of such fund all mortgages and liens on his Unit in the order of priority of such mortgages and liens.

Whenever in this Section the words "promptly repair", are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than ninety (90) days after the insurance Trustee (if appointed) notifies the Board of Directors and the Unit owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

13.2 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original Improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes, and, if the damaged property which is to be altered is the Building or the Optional Property, by the owners of not less than 80% of the applicable interests in the Common Elements, as well as the Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.

13.3 Special Responsibility. If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair, which shall be effected promptly and in accordance with guidelines established by the Board of Directors (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.

(a) Disbursement. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(i) Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$100,000, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

(ii) Association - Major Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than \$100,000, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by subparagraph (i) above, but then only upon the further approval of an architect or engineer qualified to practice in Florida and employed by the Association to supervise the work.

(iii) Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under-insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owner bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.

(iv) Surplus. It shall be presumed that the first moneys disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that part of a distribution to an Owner which is not in excess of Assessments paid by such Owner into the construction fund shall not be made payable jointly to any mortgagee.

(v) Certificate. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon Assessments, shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect, engineer or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Assessments paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a Certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

13.4 Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments on account of damage to the insured Property shall be in proportion to all of the Owners' respective shares in the Common Elements, and on account of damage to the Optional Property, the Association shall charge the Owner (but shall not levy an Assessment) in proportion to the cost of repairing the damage suffered by each Owner thereof, as determined by the Association.

13.5 Benefit of Mortgagees. Certain provisions in this Section 13 are for the benefit of mortgagees of Units and may be enforced by any of them.

14. Condemnation.

14.1 Deposit of Awards with Insurance Trustee. The taking of portions of the Condominium Property or Association Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a charge shall be made against a defaulting Unit Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to that Owner.

14.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.

14.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 14 specifically provided.

14.4 Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

(a) Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be charged to and paid by the Owner of the Unit.

(b) Distribution of Surplus. The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.

(c) Adjustment of Shares in Common Elements. Notwithstanding that the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements and of the Common Expenses and Common Surplus appurtenant to the Unit shall NOT be reduced and shall remain as set forth in Section 5.1 hereof.

14.5 Unit Made Uninhabitable. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

(a) Payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagees in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due and unpaid Assessments; third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.

(b) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.

(c) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners as a fraction, the numerator of which shall be one (1) and the denominator of which shall be the total number of Units remaining in the Condominium.

(d) Assessments. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

(e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within 30 days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Units Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustments to such shares effected pursuant hereto by reason of the taking.

14.6 Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.

14.7 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration of Condominium that is only required to be approved by, and executed upon the direction of, a majority of all Directors of the Association.

15. **Occupancy and Use Restrictions.** In order to provide for congenial occupancy of the Condominium and Association Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

15.1 Occupancy. Each Unit shall be used as a dwelling unit only, including for temporary or transient use, except as otherwise herein expressly provided, all in accordance with all applicable municipal, county and state codes, ordinances and regulations. The provisions of this subsection 15.1 shall not be applicable to Units used by the Developer for model apartments, sales or resales offices or management or administrative services. No amendment to this Declaration or rule of the Association shall be adopted to impair or abridge the rights herein granted without an affirmative vote of not less than 75% of the voting interests of the Unit Owners.

15.2 Pet Restrictions. Owners shall be permitted to keep one (1) household pet (e.g., one (1) domestic cats, or one (1) domestic dog in a Unit). No domestic birds of a variety that will emit sounds that can be heard in contiguous or adjacent Units may be kept in a Unit. The Board, in its discretion, may require the permanent removal from the Condominium Property of any

such pet that becomes a source of annoyance or nuisance to any other Owner or resident. The keeping of a pet on the Condominium Property is a privilege, not a right, and the Board may order or enforce the removal of any pet that becomes a source of annoyance or nuisance to other residents. Owners keeping domestic animals shall be responsible for pet droppings and for any inconvenience or damage caused by such animal. All Unit Owners must take a pooper scooper or similar device with them when walking their pet. All dogs and cats shall be kept leashed and physically controlled by an adult when not confined to the Owner's Unit. No dog shall be of a dangerous breed or disposition, in the determination of the Board. Guests and tenants shall not be allowed to have pets, nor shall be allowed to bring pets onto the Condominium Property. Feeding of birds, raccoons or other wild animals, or maintaining a bird feeder station on the Condominium Property is prohibited. Without limiting the generality of Section 18 hereof, a violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in the By-Laws and any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property. The Board shall have the authority to adopt rules to prohibit exotic pets and to otherwise regulate or restrict pets in a manner consistent with this provision.

15.4 Alterations. Without limiting the generality of Section 8.1 hereof, but subject to Section 9 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Common Elements or Association Property, including, but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antenna, machinery, or air conditioning units, which in any manner change the appearance of any portion of the Building or the exterior of said Unit, without obtaining the prior written consent of the Association (in the manner specified in section 8.1 hereof). Curtains or drapes (or linings thereof) which face the exterior windows or glass doors of Units shall be white or off-white in color and shall be subject to disapproval by the Association, in which case they shall be removed and replaced with acceptable items.

15.5 Stairwells. The Common Elements and Association Property shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units. In that regard, each Unit Owner, by acceptance of a deed for a Unit, thereby covenants and agrees that it is the intention of the Developer that the stairwells of the Building are intended for ingress and egress only, and as such are constructed and left unfinished solely as to be functional for said purpose, without regard to the aesthetic appearance of said stairwells. The foregoing is not intended to prohibit the use of the stairwells for any other proper purpose.

15.6 Nuisances. No nuisances (as defined by the Association) shall be allowed on the Condominium or Association Property nor shall any use or practice be allowed which is a source of annoyance to occupants of Units or which interferes with the peaceful possession or proper use of the Condominium and/or Association Property by its residents, occupants or members. No activity specifically permitted by this Declaration shall be deemed a nuisance.

15.7 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium or Association Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Condominium and/or Association Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of this Declaration, the Articles of Incorporation or By-Laws, the Association shall not be liable to any person(s) for its failure to enforce the provisions of this Section 15.7. No activity specifically permitted by this Declaration shall be deemed to be a violation of this Section.

15.10 Exterior Improvements. Without limiting the generality of Sections 8.1 or 15.5 hereof, but subject to any provision of this Declaration specifically permitting same, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, window tinting, furniture, fixtures and equipment), without the prior written consent of the Association. Notwithstanding the foregoing, any Unit Owner may display one portable removable United States flag in a respectful way.

15.11 Association Access to Units. In order to facilitate access to Units by the Association for the purposes enumerated in Section 9.1 hereof, it shall be the responsibility of all Unit Owners to deliver a set of keys (or access card or code, as may be applicable) to their respective Units to the Association to use in the performance of its functions. No Owner shall change the locks to his Unit without so notifying the Association and delivering to the Association a new set of keys (or access card or code, as may be applicable) to such Unit.

15.12 Hurricane Shutters. The Board of Directors shall, from time to time, establish hurricane shutter specifications which comply with the applicable building code, and establish permitted colors, styles and materials for hurricane shutters. Subject to

the provisions of Section 8.1 above, the Association shall approve the installation or replacement of hurricane shutters conforming with the Board's specifications. The Board may, with the approval of a majority of voting interests in the Condominium, install hurricane shutters, and may (without requiring approval of the membership) maintain, repair or replace such approved shutters, whether on or within Common Elements, Units or Association Property; provided, however, that if laminated glass or window film, in accordance with all applicable building codes and standards, architecturally designed to serve as hurricane protection, is installed, the Board may not install hurricane shutters in accordance with this provision. All shutters shall remain open unless and until a storm watch or storm warning is announced by the National Weather Center or other recognized weather forecaster. A Unit Owner or occupant who plans to be absent during all or any portion of the hurricane season must prepare his Unit prior to his departure by designating a responsible firm or individual to care for his Unit should a hurricane threaten the Unit or should the Unit suffer hurricane damage, and furnishing the Association with the name(s) of such firm or individual. Such firm or individual shall be subject to the approval of the Association.

15.13 Storage on Patios. No equipment materials or other items shall be kept or stored on any patio area of the of any Unit of the Condominium, including but not limited to towels, clothing, bicycles. The foregoing shall not prevent, however, placing and using patio-type furniture, planters and other items in such areas if same are normally and customarily used for a residential balcony or terrace area. In the event of any doubt or dispute as to whether a particular item is permitted hereunder, the decision of the Association shall be final and dispositive.

15.14 Relief by Association. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 15 for good cause shown.

15.15 Effect on Developer. Subject to the following exceptions, the restrictions and limitations set forth in this Section 15 shall not apply to the Developer nor to Units owned by the Developer. The Developer shall not be exempt from the restrictions, if any, relating to requirements that leases or lessees be approved by the Association, pet restrictions, occupancy of Units based on age and vehicular restrictions, except as such vehicular restrictions relate to the Developer's construction, maintenance and marketing activities.

16. **Selling, Leasing and Mortgaging of Units.** Units may be made subject to mortgages without restrictions, but sales and leases thereof shall be subject to the provisions of this Section.

16.1 Sales. No Unit Owner may sell, transfer, devise or otherwise transfer his Unit without the express written consent of the Association, which consent shall not be unreasonably withheld. At least twenty (20) days prior to any proposed transfer of a Unit, the Owner shall provide the Association with the name, address and telephone number of the proposed transferee, and shall provide the Association with any other information it may request. The Association may require the personal appearance of the proposed transferee and his family as a condition of approval, may require an application and may prescribe the form of application. The Association shall approve or disapprove the proposed transfer within twenty (20) days of receipt of all information to which the Association is entitled. The failure of the Association to approve or deny the proposed transfer within the twenty (20) days set forth above shall be deemed an approval of the transfer. In the event the Association approves the transfer, or fails to disapprove the transfer within twenty (20) days of receipt of all information, said approval must be evidenced by a written Consent to Transfer executed by an officer or agent of the Association, which Consent to Transfer must be recorded in the public records of the County.

16.2 Leases. No lease or rental of a Unit may be for a period of less than the minimum period, if any, established for such leases by the applicable governmental authority. Any proposed lease must be preapproved in writing by the Association. At least fifteen (15) days prior to any proposed lease, the Unit Owner desiring to so lease the Unit shall provide the Association with the name, address and telephone number of the proposed tenant, and shall provide the Association with any other information it may request. The Association may require the personal appearance of the proposed tenant and his family as a condition of approval, may require an application and may prescribe the form of application. The Association shall approve or disapprove the proposed lease within fifteen (15) days of receipt if all information to which it is entitled. The failure to render a decision within said fifteen (15) days shall be deemed approval. No Unit Owner may lease or rent his Unit if he is delinquent in the payment of any Assessments. The sub-leasing or sub-renting of a Unit Owner's interest shall be subject to the same limitations as are applicable to the leasing or renting thereof. The Association shall have the right to require that a substantially

uniform form of lease or sub-lease be used by all Unit Owners intending to rent or lease and to provide such form as a Common Expense of the Condominium. Entire Units only may be rented, and no individual rooms may be rented and no transient tenants may be accommodated.

A tenant of a Unit shall have all of the use rights in the Association Property and Common Elements otherwise readily available for use generally by Unit Owners, and the Owner of the leased Unit shall not have such rights, except as a guest. This shall not, however, interfere with access rights of an Owner as landlord pursuant to applicable law.

16.3 Continuing Liability. The liability of the Unit Owner under these covenants shall continue, notwithstanding the fact that he may have sold, transferred, leased, rented or sub-let said interest as provided herein. Every purchaser, tenant or lessee shall take title to his Unit subject to this Declaration, the Articles of Incorporation, Bylaws and Rules and Regulations of the Association, as well as the provisions of the Act.

16.4 No Severance of Ownership. No part of the Common Elements may be sold, conveyed or otherwise disposed of, except as an appurtenance to the Unit in connection with a sale, conveyance or other disposition of the Unit to which such interest is appurtenant, and any sale, conveyance or other disposition of a Unit shall be deemed to include that Unit's appurtenant interest in the Common Elements.

16.5 Committee or Outside Contractor. The Board may designate a committee or may engage the services of an outside consulting firm to carry out the approval and disapproval obligations of the Association hereunder. In the event the Board engages the services of an outside firm, the cost of such firm shall be a Common Expense.

16.6 Transfer Fees. The Association may charge a fee to any Unit Owner requesting approval of a proposed transfer or lease of a Unit, said fee to be in an amount determined by the Board from time to time and not to exceed the maximum amount permitted by the Act.

16.7 Factors Which May Be Considered. The Board or its designee may consider the following factors in making its decision, and any other factors it deems appropriate, any one of which shall be grounds for disapproval:

(i) The proposed transferee or Tenant has been convicted of a felony involving violence to persons or property, or demonstrating dishonesty or moral turpitude.

(ii) The proposed transferee or tenant has a record of financial irresponsibility.

(iii) The application for approval indicates on its face that the proposed transferee or tenant or any proposed occupant intends to act in a manner inconsistent with the covenants and restrictions applicable to the Condominium.

(iv) The proposed transferee or tenant has a history of disruptive behavior or disregard for the rights and property of others.

(v) The Association has not received all information to which it is entitled.

(vi) Any false statements made by the applicant on any documents required by the Association.

16.8 Exemption of Developer. Notwithstanding any provision to the contrary contained in this Section 16, the provisions of Section 16 shall not be applicable to the Developer, and the Developer are irrevocably authorized, permitted and empowered to convey by sale, lease gift or other transfer Units to any third party.

17. **Compliance and Default.** The Association, each Unit Owner, occupant of a Unit, tenant and other invitee of a Unit Owner shall be governed by and shall comply with the terms of this Declaration and all exhibits annexed hereto, as the same may be amended from time to time and the provisions of all of such documents shall be deemed incorporated into any lease of a Unit whether or not expressly stated in such lease. The Association (and Unit owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:

17.1 **Mandatory Nonbinding Arbitration of Disputes.** Prior to the institution of court litigation, the parties to a Dispute shall petition the Division for nonbinding arbitration. The arbitration shall be conducted according to rules promulgated by the Division and before arbitrators employed by the Division. The filing of a petition for arbitration shall toll the applicable statute of limitation for the applicable Dispute, until the arbitration proceedings are completed. Any arbitration decision shall be presented to the parties in writing, and shall be deemed final if a complaint for trial de novo is not filed in a court of competent jurisdiction in which the Condominium is located within thirty (30) days following the issuance of the arbitration decision. The prevailing party in the arbitration proceeding shall be awarded the costs of the arbitration, and attorneys' fees and costs incurred in connection with the proceedings. The party who files a complaint for a trial de novo shall be assessed the other party's arbitration costs, courts costs and other reasonable costs, including, without limitation, attorneys' fees, investigation expenses and expenses for expert or other testimony or evidence incurred after the arbitration decision, if the judgment upon the trial de novo is not more favorable than the arbitration decision. If the judgment is more favorable, the party who filed a complaint for trial de novo shall be awarded reasonable court costs and attorneys' fees. Any party to an arbitration proceeding may enforce an arbitration award by filing a petition in a court of competent jurisdiction in which the Condominium is located. A petition may not be granted unless the time for appeal by the filing of a complaint for a trial de novo has expired. If a complaint for a trial de novo has been filed, a petition may not be granted with respect to an arbitration award that has been stayed. If the petition is granted, the petitioner may recover reasonable attorneys' fees and costs incurred in enforcing the arbitration award.

17.2 **Negligence and Compliance.** A Unit Owner and/or tenant of a Unit shall be liable for the expense of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent such expense is not met by the proceeds of insurance actually collected in respect of such negligence by the Association. In the event a Unit Owner, tenant or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of the Declaration, the By-Laws, the Articles of Incorporation of the Association, applicable rules and regulations, or any other agreement, document or instrument affecting the Condominium Property or administered by the Association, in the manner required, the Association shall have the right to proceed in equity to require performance and/or compliance, to impose any applicable fines, to sue at law for damages, and to charge the Unit Owner for the sums necessary to do whatever work is required to put the Unit Owner or Unit in compliance, provided, however, that nothing contained in this Section 17.2 shall authorize the Association to enter a Unit to enforce compliance. In any proceeding arising because of an alleged failure of a Unit Owner, a tenant or the Association to comply with the requirements of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees). A Unit Owner prevailing in an action with the Association, in addition to recovering his reasonable attorneys' fees, may recover additional amounts as determined by the court to be necessary to reimburse the Unit Owner for his share of Assessments levied by the Association to fund its expenses of the litigation.

18. **Termination of Condominium.** The Condominium shall continue until (i) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (ii) such time as withdrawal of the Condominium Property from the provisions of the Act is authorized by a vote of Owners owning at least 80% of the applicable interests in the Common Elements and by the Primary Institutional First Mortgagee. In the event such withdrawal is authorized as aforesaid, the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common in which event the net proceeds of the partition sale shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens on his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the basis of the termination and said certificate shall be recorded among the public records of the County.

This Section may not be amended without the consent of the Primary Institutional First Mortgagee and the Developer as long as it owns any Unit.

19. **Additional Rights Of Mortgagees and Others.**

19.1 Availability of Association Documents. The Association shall have current and updated copies of the following available for inspection by institutional First Mortgagees during normal business hours or under other reasonable circumstances as determined by the Board: (a) this Declaration; (b) the Articles; (c) the By-Laws; (d) the rules and regulations of the Association; and (e) the books, records and financial statements of the Association.

19.2 Amendments. Subject to the other provisions of this Declaration and except as provided elsewhere to the contrary, an amendment directly affecting any of the following shall require the approval of a Majority of Institutional First Mortgagees (in addition to any other approvals required hereunder or under the Act): (a) voting rights; (b) assessments, assessment liens or the priority of assessment liens; (c) reserves for maintenance, repair and replacement of Common Elements and/or Association Property; (d) responsibility for maintenance and repairs; (e) reallocation of interests in the Common Elements or rights to their use; (f) redefinition of Unit boundaries; (g) conversion of Units into Common Elements or Common Elements into Units; (h) expansion or contraction of the Condominium; (i) insurance or fidelity bonds; (j) leasing of units; (k) imposition of restrictions on the selling or transferring of title to Units; (l) restoration or repair of the Condominium after a casualty or partial condemnation; (m) any action to terminate the Condominium after casualty or condemnation; and (n) any provision that expressly benefits mortgage holders, insurers or guarantors as a class.

19.3 Notices. Any holder, insurer or guarantor of a mortgage on a Unit shall have, if first requested in writing, the right to timely written notice of:

- (a) any condemnation or casualty loss affecting a material portion of the Condominium and/or Association Property or the affected mortgaged Unit;
- (b) a sixty (60) day delinquency in the payment of the Assessments on a mortgaged Unit;
- (c) the occurrence of a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;
- (d) any proposed action which requires the consent of a specified number of mortgage holders.

19.4 Additional Rights. Institutional First Mortgagees shall have the right, upon written request to the Association, to: (a) receive a copy of a financial statement of the Association for the immediately preceding fiscal year if such statement was prepared; and (b) receive notices of and attend Association meetings.

20. Covenant Running With the Realty. All provisions of this Declaration, the Articles, By-Laws and applicable rules and regulations of the Association, shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the Realty and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Developer and subsequent owner(s) of the Realty or any part thereof, or interest therein, and their respective heirs, personal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units shall be subject to and shall comply with the provisions of this Declaration, the Articles, By-Laws and applicable rules and regulations, all as they may be amended from time to time. The acceptance of a deed or conveyance, or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration, and the Articles, By-Laws and applicable rules and regulations of the Association, all as they may be amended from time to time, including, but not limited to, a ratification of any appointments of attorneys-in-fact contained herein.

21. Disclaimer of Warranties. Developer hereby disclaims any and all express or implied warranties as to continuance of any particular view (it being understood and agreed that construction on any adjacent properties may obstruct such view), design, construction, sound transmission, furnishing and equipping of the Condominium Property, except only those set forth in section 718.203 of the Act if this Condominium is a new construction condominium, or except for those warranties which Seller is required to make by Section 718.618 of the Act, if any, if this Condominium is a conversion condominium, to the extent applicable and to the extent that same have not expired by their terms.

Further, each Owner, by acceptance of a deed or other conveyance of a Unit shall be deemed to waive and release the applicable "Declarant" from any and all express or implied warranties as to design, construction, sound transmission, furnishing and equipping of any improvements thereon, whether part of the Common Areas or otherwise.

As to such warranties which cannot be disclaimed, and to other claims, if any, which can be made as to the aforesaid matters, all incidental and consequential damages arising therefrom are hereby disclaimed.

All unit owners, by virtue of acceptance of title to their respective units (whether from the Developer or another party) shall be deemed to have automatically waived all of the aforesaid disclaimed warranties and incidental and consequential damages.

22. Additional Provisions.

22.1 Notices. All notices to the Association required or desired hereunder or under the By-Laws of the Association shall be sent by certified mail (return receipt requested) to the Association in care of its office at the Condominium, or to such other address as the Association may hereafter designate from time to time by notice in writing to all Unit Owners. Except as provided specifically in the Act, all notices to any Unit Owner shall be sent by first class mail to the Condominium address of such Unit Owner, or such other address as may have been designated by him from time to time, in writing, to the Association. All notices to mortgagees of Units shall be sent by first class mail to their respective addresses, or such other address as may be designated by them from time to time, in writing to the Association. All notices shall be deemed to have been given when mailed in a postage prepaid sealed wrapper, except notices of a change of address, which shall be deemed to have been given when received, or 5 business days after proper mailing, whichever shall first occur.

22.2 Interpretation. The Board of Directors of the Association shall be responsible for interpreting the provisions hereof and of any of the Exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of legal counsel that any interpretation adopted by the Association is not unreasonable shall conclusively establish the validity of such interpretation.

22.3 Mortgagees. Anything herein to the contrary notwithstanding, the Association shall not be responsible to any mortgagee or lienor of any Unit hereunder, and may assume the Unit is free of any such mortgages or liens, unless written notice of the existence of such mortgage or lien is received by the Association.

22.4 Exhibits. There is hereby incorporated in this Declaration all materials contained in the Exhibits annexed hereto, except that as to such Exhibits, any conflicting provisions set forth therein as to their amendment, modification, enforcement and other matters shall control over those hereof.

22.5 Signature of President and Secretary. Wherever the signature of the President of the Association is required hereunder, the signature of a vice-president may be substituted therefor, and wherever the signature of the Secretary of the Association is required hereunder, the signature of an assistant secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of the Association in two separate capacities.

22.6 Governing Law. Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration, the Exhibits annexed hereto or applicable rules and regulations adopted pursuant to such documents, as the same may be amended from time to time, said dispute or litigation shall be governed by the laws of the State of Florida.

22.7 Severability. The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, paragraph, clause, phrase or word, or other provision of this Declaration, the Exhibits annexed hereto, or applicable rules and regulations adopted pursuant to such documents, as the same may be amended from time to time, shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

22.8 Waiver. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.

22.9 Ratification. Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a Unit, by reason of his occupancy, shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the Articles and By-Laws of the Association, and applicable rules and regulations, are fair and reasonable in all material respects.

22.10 Execution of Documents, Attorney-in-Fact. Without limiting the generality of other Sections of this Declaration and without such other Sections limiting the generality hereof, each Owner, by reason of the acceptance of a deed to such Owner's Unit, hereby agrees to execute, at the request of the Developer, all documents or consents which may be required by all governmental agencies to allow the Developer and its affiliates to complete the plan of development of the Condominium as such plan may be hereafter amended, and each such Owner further appoints hereby and thereby the Developer as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of such Owners, any and all of such documents or consents. This Power of attorney is irrevocable and coupled with an interest. The provisions of this Section may not be amended without the consent of the Developer.

22.11 Gender, Plurality. Wherever the context so permits, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all or no genders.

22.12 Captions. The captions herein and in the Exhibits annexed hereto are inserted only as a matter of convenience and for ease of reference and in no way define or limit the scope of the particular document or any provision thereof.

22.13 Liability. Notwithstanding anything contained herein or in the Articles of Incorporation, By-laws, any rules or regulations of the Association or any other document governing or binding the Association (collectively, the "Association Documents"), the Association, except to the extent specifically provided to the contrary herein, shall not be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Condominium and/or Association Property including, without limitation, Owners and their guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:

(a) it is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the uses of the properties have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the properties and the value thereof;

(b) the Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, County and/or any other jurisdiction or the prevention of tortious activities; and

(c) the provisions of the Association Documents setting forth the uses of assessments which relate to health, safety and/or welfare shall be interpreted and applied only as limitations on the uses of assessment funds and not as creating a duty of the Association to protect or further the health, safety or welfare of any person(s), even if assessment funds are chosen to be used for any such reason.

Each Owner (by virtue of his acceptance of title to his Unit) and each other person having an interest in or lien upon, or making use of, any portion of the properties (by virtue of accepting such interest or lien or making such use) shall be bound by this provision and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed hereby. As used herein, "Association" shall include within its meaning all of Association's directors, officers, committee and board members, employees, agents, contractors (including management companies), subcontractors, successors and assigns. The provisions hereof shall also inure to the benefit of Developer, which shall be fully protected hereby.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed and its corporate seal to be hereunto affixed as of the 26th day of September, 2007.

**BY-LAWS
OF
CALLE MINORGA CONDOMINIUM ASSOCIATION, INC.**

*A corporation not for profit organized
under the laws of the State of Florida*

1. **Identity.** These are the By-Laws of **CALLE MINORGA CONDOMINIUM ASSOCIATION, INC.** (the "Association"), a corporation not for profit incorporated under the laws of the State of Florida, and organized for the purposes set forth in its Articles of Incorporation.

1.1 **Fiscal Year.** The fiscal year of the Association shall be the twelve month period commencing January 1st and terminating December 31st of each year.

1.2 **Seal.** The seal of the Association shall bear the name of the corporation, the word "Florida", the words "Corporation Not for Profit", and the year of incorporation.

2. **Definitions.** For convenience, these By-Laws shall be referred to as the "By-Laws" and the Articles of incorporation of the Association as the "Articles". The other terms used in these By-Laws shall have the same definitions and meanings as those set forth in the Declaration for **Calle Minorga Condominiums, a condominium**, unless herein provided to the contrary, or unless the context otherwise requires.

3. **Members.**

3.1 **Annual Meeting.** The annual members' meeting shall be held on the date, at the place and at the time determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and, to the extent possible, no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors, and to transact any other business authorized to be transacted by the members, or as stated in the notice of the meeting sent to Unit Owners in advance thereof. Unless changed by the Board of Directors, the first annual meeting shall be held in the month of June following the year in which the Declaration is filed.

3.2 **Special Meetings.** Special members' meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board of Directors of the Association, and must be called by the President or Secretary upon receipt of a written request from a majority of the members of the Association. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting. Special meetings may also be called by Unit Owners in the manner provided for in the Act. Notwithstanding the foregoing: (i) as to special meetings regarding the adoption of the Condominium's estimated operating budget, reference should be made to Section 10.1 of these By-Laws; and (ii) as to special meetings regarding recall of Board members, reference should be made to Section 4.3 of these By-Laws.

3.3 **Participation by Unit Owners.** Subject to the following and such further reasonable restrictions as may be adopted from time to time by the Board, Unit Owners shall have the right to speak at the annual and special meetings of the Unit Owners, committee meetings and Board meetings with reference to all designated agenda items. A Unit Owner does not have the right to speak with respect to items not specifically designated on the agenda, provided, however, that the Board may permit an Unit Owner to speak on such items in its discretion. Every Unit Owner who desires to speak at a meeting, may do so, provided that the Unit Owner has filed a written request with the Secretary of the Association not less than 48 hours prior to the scheduled time for commencement of the meeting. Unless waived by the chairman of the meeting (which may be done in the chairman's sole and absolute discretion and without being deemed to constitute a waiver as to any other subsequent speakers), all Unit Owners speaking at a meeting shall be limited to a maximum of three (3) minutes per speaker. Any Unit Owner may tape record or videotape a meeting, subject to the following and such further reasonable restrictions as may be adopted from time to time by the Board:

- (a) The only audio and video equipment and devices which Unit Owners are authorized to utilize at any such meeting is equipment which does not produce distracting sound or light emissions;
- (b) Audio and video equipment shall be assembled and placed in position in advance of the commencement of the meeting.
- (c) Anyone videotaping or recording a meeting shall not be permitted to move about the meeting room in order to facilitate the recording; and
- (d) At least 48 hours prior written notice shall be given to the Secretary of the Association by any Unit Owner desiring to make an audio or video taping of the meeting.

3.4 Notice of Meeting, Waiver of Notice. Notice of a meeting of members (annual or special), stating the time and place and the purpose(s) for which the meeting is called, shall be given by the President or Secretary. A copy of the notice shall be posted at a conspicuous place on the Condominium Property. The notice of the annual meeting shall be hand delivered or sent by regular mail to each Unit Owner, unless the Unit Owner waives in writing the right to receive notice of the annual meeting by mail. The delivery or mailing shall be to the address of the member as it appears on the roster of members. Where a Unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes, to that one address initially identified for that purpose by the Developer and thereafter as one or more of the Owners of the Unit shall so advise the Association in writing, or if no address is given or if the Owners disagree, notice shall be sent to the address for the Owner as set forth on the deed of the Unit. The posting and mailing of the notice for either special or annual meetings, which notice shall incorporate an identification of agenda items, shall be effected not less than fourteen (14) continuous days, nor more than sixty (60) days, prior to the date of the meeting. The Board shall adopt by rule, and give notice to Unit Owners of, a specific location on the Condominium Property upon which all notices of members' meetings shall be posted.

Notice of specific meetings may be waived before or after the meeting and the attendance of any member (or person authorized to vote for such member), either in person or by proxy, shall constitute such member's waiver of notice of such meeting, and waiver of any and all objections to the place of the meeting, the time of the meeting or the manner in which it has been called or convened, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

An officer of the Association, or the manager or other person providing notice of the meeting shall provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the Association, affirming that notices of meetings were posted and mailed or hand delivered in accordance with this Section and Section 718.112(2)(d) of the Act, to each Unit Owner at the appropriate address for such Unit Owner. No other proof of notice of a meeting shall be required.

3.5 Quorum. A quorum at members' meetings shall be attained by the presence, either in person or by proxy (limited or general), of persons entitled to cast in excess of 50% of the votes of members entitled to vote at the subject meeting.

3.6 Voting.

(a) Number of Votes. Except as provided in Section 3.11 hereof, the Owners of each Unit shall be entitled to cast one vote for each Unit owned. The vote of a Unit shall not be divisible.

(b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Unit Owners for all purposes, except where otherwise provided by law, the Declaration, the Articles or these By-Laws. As used in these By-Laws, the Articles or the Declaration, the terms "majority of the Unit Owners" and "majority of the members" shall mean a majority of the votes entitled to be cast by the members and not a majority of the members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Unit Owners at which a quorum shall have been

attained. Similarly, if some greater percentage of members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of members and not of the members themselves.

(c) Voting Member. If a Unit is owned by one person, that person's right to vote shall be established by the roster of members. If a Unit is owned by more than one person, those persons (including husbands and wives) shall decide among themselves as to who shall cast the vote of the Unit. In the event that those persons cannot so decide, no vote shall be cast. A person casting a vote for a Unit shall be presumed to have the authority to do so unless the President or the Board of Directors is otherwise notified. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by an appropriate officer of the corporation and filed with the Secretary of the Association. Such person need not be a Unit Owner. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. A certificate designating the person entitled to cast the vote for a Unit may be revoked by any record owner of an undivided interest in the Unit. If a certificate designating the person entitled to cast the vote for a Unit for which such certificate is required is not on file or has been revoked, the vote attributable to such Unit shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed.

3.7 Proxies. Votes to be cast at meetings of the Association membership may be cast in person or by proxy. Except as specifically provided herein, Unit Owners may not vote by general proxy, but may vote by limited proxies substantially conforming to the limited proxy form approved by the Division. Limited proxies shall be permitted for votes taken to: waive or reduce reserves; waive financial statements; amend the Declaration, Articles or By-Laws; or for any other matter requiring or permitting a vote of Unit Owners. No proxy, limited or general, shall be used in the election of Board members. General proxies may be used for other matters for which limited proxies are not required and may also be used in voting for nonsubstantive changes to items for which a limited proxy is required and given. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawful adjourned meetings thereof. In no event shall any proxy be valid for a period longer than 90 days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be in writing, signed by the person authorized to cast the vote for the Unit (as above described), name the person(s) voting by proxy and the person authorized to vote for such person(s) and filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Each proxy shall contain the date, time and place of the meeting for which it is given and, if a limited proxy, shall set forth the matters on which the proxy holder may vote and the manner in which the vote is to be cast. There shall be no limitation on the number of proxies which may be held by any person (including a designee of the Developer). If a proxy expressly provides, any proxy holder may appoint, in writing, a substitute to act in its place. If such provision is not made, substitution is not permitted.

3.8 Adjourned Meetings. If any proposed meeting cannot be organized because a quorum has not been attained, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as required above, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

3.9 Order of Business. If a quorum has been attained, the order of business at annual members' meetings, and, if applicable, at other members' meetings, shall be:

- (a) Call to order by President;
- (b) Appointment by the President of a chairman of the meeting (who need not be a member or a director);
- (c) Appointment of inspectors of election;
- (d) Counting of Ballots for Election of Directors;
- (e) Proof of notice of the meeting, or waiver of notice;

- (f) Reading of minutes;
- (g) Reports of officers;
- (h) Reports of committees;
- (i) Unfinished business;
- (j) New business;
- (k) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

3.10 Minutes of Meeting . The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit owners or their authorized representatives and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

3.11 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required or which may be taken at any annual or special meeting of members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken, shall be signed by the members (or persons authorized to cast the vote of any such members as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of members at which all members (or authorized persons) entitled to vote thereon were present and voted. In order to be effective, the action must be evidenced by one or more written consents describing the action taken, dated and signed by approving members having the requisite number of votes and entitled to vote on such action, and delivered to the Secretary of the Association, or other at of the Association. Written consent shall not be effective to take the corporate action referred to in the consent unless signed by members having the requisite number of votes necessary to authorize the action within sixty (60) days of the date of the earliest dated consent and delivered to the Association as aforesaid. Any written consent may be revoked prior to the date the Association receives the required number of consents to authorize the proposed action. A revocation is not effective unless in writing and until received by the Secretary of the Association, or other authorized agent of the Association. Within ten (10) days after obtaining such authorization by written consent, notice must be given to members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action. A consent signed in accordance with the foregoing has the effect of a meeting vote and may be described as such in any document.

4. Directors.

4.1 Membership. The affairs of the Association shall be governed by a Board of not less than three (3) nor more than nine (9) directors, the exact number to be determined in the first instance in the Articles, and, thereafter, except as provided herein, from time to time upon majority vote of the membership. Directors must be natural persons who are 18 years of age or older. Directors may not vote at Board meetings by proxy or by secret ballot.

4.2 Election of Directors. Election of Directors shall be held at the annual members' meeting, except as herein provided to the contrary. Not less than sixty (60) days prior to a scheduled election, the Association shall mail or deliver to each Unit Owner entitled to vote, a first notice of the date of election. Any Unit Owner or other eligible person desiring to be a candidate for the Board shall give written notice to the Secretary of the Association not less than forty (40) days prior to the scheduled election. Together with the notice of meeting and agenda sent in accordance with Section 3.4 above, the Association shall then mail or deliver a second notice of the meeting to all Unit Owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8-1/2 inches by 11 inches furnished by the candidate, which must be furnished by the candidate to the Association not less than thirty five (35) days before the election, to be included with the mailing of the ballot, with the costs of mailing or delivery and copying to be borne by the Association. The

Association has no liability for the contents of the information sheets prepared by the candidates. In order to reduce costs, the Association may print or duplicate the information sheets on both sides of the paper.

The election of directors shall be by written ballot or voting machine. Proxies shall in no event be used in electing the Board at general elections or to fill vacancies caused by resignation or otherwise, provided, however, that limited proxies may be used to fill a vacancy resulting from the recall of a director, in the manner provided by the rules of the Division. Elections shall be decided by a plurality of those ballots and votes cast. There shall be no quorum requirement, however at least 20 percent of the eligible voters must cast a ballot in order to have a valid election of members of the Board. There shall be no cumulative voting.

Notwithstanding the provisions of this Section 4.2, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board.

4.3 Vacancies and Removal.

(a) Except as to vacancies resulting from removal of Directors by members (as addressed in subsection (b) below), vacancies in the Board of Directors occurring between annual meetings of members shall be filled by the remaining Directors at any Board meeting, provided that all vacancies in directorships to which Directors were appointed by the Developer pursuant to the provisions of paragraph 4.15 hereof shall be filled by the Developer without the necessity of any meeting.

(b) Any Director elected by the members (other than the Developer) may be removed by concurrence of a majority of the voting interests of the members at a special meeting of members called for that purpose or by written agreement signed by a majority of all voting interests. The vacancy in the Board of Directors so created shall be filled by the members at a special meeting of the members called for such purpose, or by the Board of Directors, in the case of removal by a written agreement unless said agreement also designates a new Director to take the place of the one removed. The conveyance of all Units owned by a Director in the Condominium (other than appointees of the Developer or Directors who were not Unit Owners) shall constitute the resignation of such Director.

(c) Anything to the contrary herein notwithstanding, until a majority of the Directors are elected by members other than the Developer of the Condominium, neither the first Directors of the Association, nor any Directors replacing them, nor any Directors named by the Developer, shall be subject to removal by members other than the Developer. The first Directors and Directors replacing them may be removed and replaced by the Developer without the necessity of any meeting.

(d) If a vacancy on the Board of Directors results in the inability to obtain a quorum of directors in accordance with these By-Laws, any Owner may apply to the Circuit Court within whose jurisdiction the Condominium lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Unit Owner shall mail to the Association and post in a conspicuous place on the Condominium Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these By-Laws. If, during such time, the Association fails to fill the vacancy(ies), the Unit Owner may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board of Directors, and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these By-Laws.

4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the members and subsequently until his successor is duly elected and has taken office, or until he is removed in the manner elsewhere provided. Notwithstanding the foregoing, any Director designated by the Developer shall serve at the pleasure of the Developer and may be removed and replaced by the Developer at any time.

4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed Directors shall be held within ten (10) days of their election or appointment. The directors calling the organizational meeting shall give at least three (3) days advance notice thereof, stating the time and place of the meeting.

4.6 Meetings. Meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Meetings of the Board of Directors and any Committee thereof at which a quorum of the members of that Committee are present shall be open to all Unit Owners. Any Unit Owner may tape record or videotape meetings of the Board, in accordance with the rules of the Division. The right to attend such meetings includes the right to speak at such meetings with respect to all designated agenda items. The Association may adopt reasonable rules governing the frequency, duration and manner of Unit Owner statements. Adequate notice of such meetings, which notice shall specifically incorporate an identification of agenda items, shall be posted conspicuously on the Condominium Property at least forty-eight (48) continuous hours preceding the meeting, except in the event of an emergency. Notwithstanding the foregoing, written notice of any meeting of the Board at which non-emergency special assessments, or at which amendment to rules regarding unit use will be proposed, discussed or approved, shall be mailed or delivered to all Unit Owners and posted conspicuously on the Condominium property not less than fourteen (14) continuous days prior to the meeting. Evidence of compliance with this fourteen (14) continuous day notice shall be made by an affidavit executed by the Secretary of the Association and filed among the official records of the Association. The Board shall adopt by rule, and give notice to Unit Owners of, a specific location on the Condominium Property upon which all notices of Board and/or Committee meetings shall be posted. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of one-third (1/3) of the Directors or where required by the Act.

4.7 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, and a waiver of any and all objections to the place of the meeting, to the time of the meeting or the manner in which it has been called or convened, except when a Director states at the beginning of the meeting, or promptly upon arrival at the meeting, any objection to the transaction of affairs because the meeting is not lawfully called or convened.

4.8 Quorum. A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is specifically required by the Declaration, the Articles or these By-Laws.

4.9 Adjourned Meetings. If, at any proposed meeting of the Board of Directors, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted as long as notice of such business to be conducted at the rescheduled meeting is given, if required (e.g., with respect to budget adoption).

4.10 Approval of Minutes By Non-Attending Director. A Director may submit in writing his or her agreement or disagreement with any action taken at a meeting that the Director did not attend, but such written agreement or disagreement may not be used as a vote for or against the action taken and may not be used for the purposes of creating a quorum.

4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other Unit Owner to preside).

4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:

- (a) Proof of due notice of meeting;
- (b) Reading and disposal of any unapproved minutes;
- (c) Reports of officers and committees;

- (d) Election of officers;
- (e) Unfinished business;
- (f) New business;
- (g) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

4.13 Minutes of Meetings. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Unit Owners, or their authorized representatives, and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven years.

4.14 Committees. The Board may by resolution also create Committees and appoint persons to such Committees and vest in such Committees such powers and responsibilities as the Board shall deem advisable.

4.15 Proviso. Notwithstanding anything to the contrary contained in this Section 4 or otherwise, the Board shall consist of three directors during the period that the Developer is entitled to appoint a majority of the Directors, as hereinafter provided. The Developer shall have the right to appoint all of the members of the Board of Directors until Unit Owners other than the Developer own fifteen (15%) percent or more of the Units in the Condominium. When Unit Owners other than the Developer own fifteen percent (15%) or more of the Units in the Condominium that will be operated ultimately by the Association, the Unit Owners other than the Developer shall be entitled to elect not less than one-third (1/3) of the members of the Board of Directors. Upon the election of such director(s), the Developer shall forward to the Division of Florida Land Sales, Condominiums and Mobile Homes the name and mailing address of the director(s) elected. Unit Owners other than the Developer are entitled to elect not less than a majority of the members of the Board of Directors: (a) three years after fifty (50%) percent of the Units that will be operated ultimately by the Association have been conveyed to purchasers; (b) three months after ninety (90%) percent of the Units that will be operated ultimately by the Association have been conveyed to purchasers; (c) when all of the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by the Developer in the ordinary course of business; (d) when some of the Units have been conveyed to purchasers, and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business; or (e) seven (7) years after recordation of the Declaration, whichever occurs first. The Developer is entitled (but not obligated) to elect at least one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business five percent (5%) of the Units that will be operated ultimately by the Association.

The Developer may transfer control of the Association to Unit Owners other than the Developer prior to such dates in its sole discretion by causing enough of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Unit Owners other than the Developer to elect Directors and assume control of the Association. Provided at least seventy-five (75) days' notice of Developer's decision to cause its appointees to resign is given to Unit Owners, neither the Developer, nor such appointees, shall be liable in any manner in connection with such resignations even if the Unit Owners other than the Developer refuse or fail to assume control.

Within seventy-five (75) days after the Unit Owners other than the Developer are entitled to elect a member or members of the Board of Directors, or sooner if the Developer has elected to accelerate such event as aforesaid, the Association shall call, and give not less than sixty (60) days' notice of an election for the member or members of the Board of Directors. The notice may be given by any Unit Owner if the Association fails to do so.

At the time the Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association, the Developer shall relinquish control of the Association and such Unit Owners shall accept control. At that time (except as to subparagraph (g), which may be ninety (90) days thereafter) Developer shall deliver to the Association, at Developer's expense, all property of the Unit

All financial statements shall be prepared in accordance with generally accepted accounting principles and shall be audited in accordance with generally accepted auditing standards as prescribed by the Florida Board of Accountancy. Directors and officers shall be compensated for all actual and proper out of pocket expenses relating to the proper discharge of their respective duties.

9. **Resignations.** Any Director or officer may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. 10.1 Budget .

(a) Adoption by Board; Items. The Board of Directors shall from time to time, and at least annually, prepare a budget for all Condominiums governed and operated by the Association (which shall detail all accounts and items of expense and contain at least all items set forth in Section 718.504(21) of the Act, if applicable), determine the amount of Assessments payable by the Unit Owners to meet the expenses of such Condominium(s) and allocate and assess such expenses among the Unit Owners in accordance with the provisions of the Declaration. In addition, if the Association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements, the budget or a schedule attached thereto shall show amounts budgeted therefor. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance (to the extent required by law). These accounts shall include, but not be limited to, roof replacement, building painting and pavement resurfacing regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000.00. The amount of reserves shall be computed by means of a formula which is based upon the estimated remaining useful life and the estimated replacement cost of each reserve item. The Association may adjust replacement and reserve assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. Reserves shall not be required if the members of the Association have, by a majority vote at a duly called meeting of members, determined for a specific fiscal year to provide no reserves or reserves less adequate than required hereby. Prior to transfer of control of the Association to Unit Owners other than the Developer, the Developer may vote to waive reserves or reduce the funding of reserves for the first two (2) years of operation of the Association, after which time, reserves may only be waived or reduced upon the vote of a majority of all non-Developer voting interests voting in person or by limited proxy at a duly called meeting of the Association. If a meeting of Unit Owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves, as included in the budget, shall go into effect. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and shall be used only for authorized reserve expenditures, unless their use for any other purposes is approved in advance by a vote of the majority of the voting interests, voting in person or by limited proxy, at a duly called meeting of the Association. Prior to transfer of control of the Association to Unit Owners other than the Developer, the Association shall not vote to use reserves for purposes other than that for which they were intended without the approval of a majority of all non-Developer voting interests, voting in person or by limited proxy at a duly called meeting of the Association.

The adoption of a budget for the Condominium shall comply with the requirements hereinafter set forth:

(i) Notice of Meeting. A copy of the proposed budget of Common Expenses shall be mailed to each Unit Owner not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting.

(ii) **Special Membership Meeting.** If a budget is adopted by the Board of Directors which requires Assessments against such Unit Owners in any year exceeding one hundred fifteen percent (115%) of such Assessments for the preceding year, as hereinafter defined, upon written application of ten percent (10%) of the Unit Owners, a special meeting of the Unit Owners shall be held within thirty (30) days of delivery of such application to the Board of Directors. Each Unit Owner shall be given at least ten (10) days' notice of said meeting. At the special meeting, Unit Owners shall consider and adopt a budget. The adoption of said budget shall require a vote of Owners of not less than a majority of all the Units (including Units owned by the Developer). If a meeting of the Unit Owners has been called as aforesaid and a quorum is not obtained or a substitute budget has not been adopted by the Unit Owners, the budget adopted by the Board of Directors shall go into effect as scheduled.

(iii) **Determination of Budget Amount.** In determining whether a budget requires Assessments against Unit Owners in any year exceeding one hundred fifteen percent (115%) of Assessments for the preceding year, there shall be excluded in the computations any authorized provisions for reasonable reserves made by the Board of Directors in respect of repair or replacement of the Condominium Property or in respect of anticipated expenses of the Association which are not anticipated to be incurred on a regular or annual basis, and there shall be excluded further from such computation Assessments for improvements to the Condominium Property.

(iv) **Proviso.** As long as the Developer is in control of the Board of Directors of the Association, the Board shall not impose Assessments, for a year greater than one hundred fifteen percent (115%) of the prior year's Assessments, as herein defined, without the approval of a majority of all voting interests.

(b) **Adoption by Membership.** In the event that the Board of Directors shall be unable to adopt a budget for a fiscal year in accordance with the requirements of Subsection (a) above, the Board of Directors may call a special meeting of Unit Owners for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection, or propose a budget in writing to the members, and if such budget is adopted by the members' upon ratification by a majority of the Board of Directors, it shall become the budget for such year.

10.2 **Assessments.** Assessments against Unit Owners for their share of the items of the budget shall be made for the applicable fiscal year annually at least twenty (20) days preceding the year for which the Assessments are made. Such Assessments shall be due in equal installments, payable in advance on the first day of each month (or each quarter at the election of the Board) of the year for which the Assessments are made. If annual Assessments are not made as required, Assessments shall be presumed to have been made in the amount of the last prior Assessments, and monthly (or quarterly) installments on such Assessments shall be due upon each installment payment date until changed by amended Assessments. In the event the annual Assessments prove to be insufficient, the budget and Assessments may be amended at any time by the Board of Directors, subject to the provisions of Section 10. 1 hereof, if applicable. Unpaid Assessments for the remaining portion of the fiscal year for which amended Assessments are made shall be payable in as many equal installments as there are full months (or quarters) of the fiscal year left as of the date of such amended Assessments, each such monthly (or quarterly) installment to be paid on the first day of the month (or quarter), commencing the first day of the next ensuing month (or quarter). If only a partial month (or quarter) remains, the amended Assessments shall be paid with the next regular installment in the following year, unless otherwise directed by the Board in its resolution.

10.3 1. **Special Assessments and Capital Improvement** Assessments (as defined in the Declaration) shall be levied as provided in the Declaration and shall be paid in such manner as the Board of Directors of the Association may require in the notice of such Assessments. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in the notice of adoption of same. However, upon completion of such specific purpose or purposes, any excess funds will be considered Common Surplus, and may, at the discretion of the Board, either be returned to the Unit Owners or applied as a credit towards future assessments.

10.4 **Depository.** The depository of the Association shall be such bank or banks in the State of Florida as shall be designated from time to time by the Directors and in which the moneys of the Association shall be

deposited. Withdrawal of moneys from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments or otherwise may be commingled in a single fund or divided into more than one fund, as determined by a majority of the Board of Directors. In addition, a separate reserve account should be established for the Association in such a depository for moneys specifically designated as reserves for capital expenditures and/or deferred maintenance. Reserve and operating funds of the Association shall not be commingled.

10.5 Acceleration of Installments Upon Default. If a Unit Owner shall be in default in the payment of an installment upon his Assessments, the Board of Directors or its agent may accelerate the balance of the current budget years' Assessments upon thirty (30) days' prior written notice to the Unit Owner and the filing of a claim of lien, and the then unpaid balance of the current budget years' Assessments shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice to the Unit Owner, or not less than ten (10) days after the mailing of such notice to him by certified mail, whichever shall first occur.

10.6 Fidelity Bonds. Fidelity bonds shall be required by the Board of Directors for all persons handling or responsible for Association funds in such amounts as shall be determined in accordance with the requirements of F.S. 718.111(11)(d). The premiums on such bonds shall be paid by the Association as a Common Expense.

10.7 Accounting Records and Reports. The Association shall maintain accounting records in the State, according to accounting practices normally used by similar associations. The records shall be open to inspection by Unit Owners or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but, not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Unit designating the name and current mailing address of the Unit Owner, the amount of Assessments, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due. Written summaries of the records described in clause (a) above, in the form and manner specified below, shall be supplied to each Unit Owner annually.

Within sixty (60) days following the end of the fiscal year, the Board shall mail, or furnish by 'personal delivery, to each Unit Owner a complete financial report of actual receipts and expenditures for the previous twelve (12) months, or a complete set of financial statements for the preceding fiscal year prepared in accordance with generally accepted accounting principles. The report shall show the amount of receipts by accounts and receipt classifications and shall show the amount of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

11. **Roster of Unit Owners**. Each Unit Owner shall file with the Association a copy of the deed or other document showing his ownership. The Association shall maintain such information. The Association may rely upon the accuracy of such information for all purposes until notified in writing of changes therein as provided above. Only Unit Owners of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Owners shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

12. **Parliamentary Rules**. Except when specifically or impliedly waived by the chairman of a meeting (either of members or directors), Robert's Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Act, the Declaration, the Articles or these By-Laws; provided, however, that a strict or technical reading of said Robert's Rules shall not be made so as to frustrate the will of the persons properly participating in said meeting.

13. **Amendments**. Except as may be provided in the Declaration to the contrary, these By-Laws may be amended in the following manner:

13.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of a meeting at which a proposed amendment is to be considered.

13.2 Adoption. A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board of Directors or by not less than one-third (1/3) of the members of the Association. No amendment shall be made that is in conflict with the Articles or Declaration. No amendment to this Section shall be valid.

13.4 Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of these By-Laws, which certificate shall be executed by the President or Vice-President and attested by the Secretary or Assistant Secretary of the Association with the formalities of a deed, or by the Developer alone if the amendment has been adopted consistent with the provisions of the Declaration allowing such action by the Developer. The amendment shall be effective when the certificate and a copy of the amendment is recorded in the Public Records of the County with an identification on the first page of the amendment of the Official Records Book and Page of said Public Records where the Declaration is recorded.

14. **Rules and Regulations**. The Board of Directors may, from time to time, adopt and thereafter modify, amend or add to any adopted rules and regulations, except that subsequent to the date control of the Board is turned over by the Developer to Unit Owners other than the Developer, Owners of a majority of the Units may overrule the Board

with respect to any such modifications, amendments or additions. Copies of such adopted, modified, amended or additional rules and regulations shall be furnished by the Board of Directors to each affected Unit Owner not less than thirty (30) days prior to the effective date thereof. At no time may any rule or regulation be adopted which would prejudice the rights reserved to the Developer.

Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

- 11.2 Indemnification. The Association shall indemnify any person, who was or is a party to any proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Association against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made under this subsection in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.
- 11.3 Indemnification for Expenses. To the extent that a director, officer, employee, or agent of the Association has been successful on the merits or otherwise in defense of any proceeding referred to in subsection 11. 1 or 11.2, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith.
- 11.4 Determination of Applicability. Any indemnification under subsection 11. 1 or subsection 11.2, unless pursuant to a determination by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in subsection 11. 1 or subsection 11.2. Such determination shall be made:
- (a) By the board of directors by a majority vote of a quorum consisting of directors who were not parties to such proceeding;
 - (b) If such a quorum is not obtainable or, even if obtainable, by majority vote of a Committee duly designated by the Board of Directors (in which directors who are parties may participate) consisting solely of two or more Directors not at the time parties to the proceeding;
 - (c) By independent legal counsel:
 - 1. selected by the Board of Directors prescribed in paragraph 11.4(a) or the committee prescribed in paragraph 11.4(b); or
 - 2. if a quorum of the Directors cannot be obtained for paragraph 11.4(a) and the Committee cannot be designated under paragraph 11.4(b), selected by majority vote of the full Board of Directors (in which Directors who are parties may participate); or
 - (d) By a majority of the voting interests of the members of the Association who were not parties to such proceeding.
- 11.5 Determination Regarding Expenses. Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, persons specified by paragraph 11.4(c) shall evaluate the reasonableness of expenses and may authorize indemnification.
- 11.6 Advancing Expenses. Expenses incurred by an officer or director in defending a civil or criminal proceeding may be paid by the Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if he is ultimately found not to be entitled to indemnification by the Association pursuant to this section. Expenses incurred by other employees and agents may be paid in advance upon such terms or conditions that the Board of Directors deems appropriate.

- 11.7 Exclusivity; Exclusions. The indemnification and advancement of expenses provided pursuant to this section are not exclusive, and the Association may make any other or further indemnification or advancement of expenses of any of its directors, officers, employees, or agents, under any bylaw, agreement, vote of members or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. However, indemnification or advancement of expenses shall not be made to or on behalf of any director, officer, employee, or agent if a judgment or other final adjudication establishes that his actions, or omissions to act, were material to the cause of action so adjudicated and constitute:
- (a) A violation of the criminal law, unless the director, officer, employee, or agent had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful;
 - (b) A transaction from which the director, officer, employee, or agent derived an improper personal benefit; or
 - (c) Willful misconduct or a conscious disregard for the best interests of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor or in a proceeding by or in the right of the members of the Association.
- 11.8 Continuing Effect. Indemnification and advancement of expenses as provided in this section shall continue as, unless otherwise provided when authorized or ratified, to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person, unless otherwise provided when authorized or ratified.
- 11.9 Application to Court. Notwithstanding the failure of a Association to provide indemnification, and despite any contrary determination of the Board or of the members in the specific case, a director, officer, employee, or agent of the Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the circuit court, or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that it considers necessary, may order indemnification and advancement of expenses, including expenses incurred in seeking court ordered indemnification or advancement of expenses, if it determines that:
- (a) The director, officer, employee, or agent is entitled to mandatory indemnification under subsection 11.3, in which case the court shall also order the Association to pay the director reasonable expenses incurred in obtaining court-ordered indemnification or advancement of expenses;
 - (b) The director, officer, employee, or agent is entitled to indemnification or advancement of expenses, or both, by virtue of the exercise by the Association of its power pursuant to subsection 11.7; or
 - (c) The director, officer, employee, or agent is fairly and reasonably entitled to indemnification or advancement of expenses, or both, in view of all the relevant circumstances, regardless of whether such person met the standard of conduct set forth in subsection 11. 1, subsection 11.2, or subsection 11.7. unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or acted in a manner he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or did act in a manner which he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.
