ARTICLE 4
MEMBERSHIP AND VOTING RIGHTS

Section 4.1 Membership. Every Neighborhood Association shall be a Member of the Wetlands Maintenance Association. If a Parcel is not subject to a Neighborhood Declaration, then the Parcel Owner Representative designated by the Parcel Owner(s) shall be the member of the Wetlands Maintenance Association for such Parcel.

Section 4.2 Voting. Members shall be entitled to one (1) equal vote on all matters to be voted on by the Members.

In absence of a written designation to the contrary in accordance with the Bylaws, the Parcel Owner Representative, shall be deemed to be the director appointed by the Parcel Owner.

Prior to the Turn Over Date for each Neighborhood Association, the Master Developer shall be the director appointed for each such Neighborhood Association.

Section 4.5 Interpretation. The provisions of this Declaration as well as those of the Articles and Bylaws shall be interpreted by the Board of Directors. Any such interpretation of the Board which is rendered in good faith shall be final, binding and conclusive if the Board receives a written opinion of legal counsel to the Wetlands Maintenance Association, or the counsel having drafted this Declaration or other applicable document, that the interpretation is not unreasonable, which opinion may be rendered before or after the interpretation is adopted by the Board. Section 5.1 Maintenance by Wetlands Maintenance Association. Commencing as of the date hereof, except as hereinafter provided, the Wetlands Maintenance Association shall maintain, monitor and keep in good repair the Wetlands and Wetlands Buffer Area in

accordance with the Permit, the same to be funded as a Common Expense. The Wetlands and Wetlands Buffer Area initially shall be owned by Declarant, who shall convey the same to the Wetlands Maintenance Association.

Section 5.2 Wetlands and Wetlands Buffer Area Drainage.

5.2.1 All owners of residences, apartments, homes and homesites in the Property acknowledge that the Wetlands and Wetlands Buffer Area is located within the boundaries of the Southwest Florida Water Management District. Due to ground water elevations underneath the Property, priorities established by governmental authorities and other causes outside of the control of the Declarant, Parcel Owners, the Wetlands Maintenance Association and the Neighborhood Associations, water levels may fluctuate at certain times during the year and such fluctuations may be material. Neither the Declarant, the Master Developer, the Parcel Owner(s), the Wetlands Maintenance Association nor the Neighborhood Association(s) shall have any liability or aesthetic conditions, damage to plantings or direct or consequential damages of any nature caused by the fluctuation of water levels.

5.2.2 The Wetlands Maintenance Association shall have the primary obligation to maintain, repair or replace portions of the Wetlands and Wetlands Buffer Area. If the Wetlands Maintenance Association fails to maintain, repair and replace said Wetlands and Wetlands Buffer Area, a Parcel Owner or the Neighborhood Association shall have the right, but not the obligation, to maintain, repair and replace the same, the cost of which shall be charged to the Wetlands Maintenance Association.

5.2.3 Neither the Wetlands Maintenance Association, a Parcel Owner, a Neighborhood Association nor any Lot or Unit owner within the Property shall take any action which modifies the Wetlands and Wetlands Buffer Area in a manner which changes the flow of drainage of surface water, except to the extent the same is approved by the requisite governmental or quasi-governmental authorities.

5.2.4 The Property shall be burdened with easements for drainage and flow of surface water in a manner consistent with the approved and constructed Wetlands and Wetlands Buffer Area.

5.2.5 The Wetlands Maintenance Association, the Parcel Owners, the Neighborhood Associations, Manatee County, Florida and the Southwest Florida Water Management District shall have a non-exclusive easement for use of the Wetlands and Wetlands Buffer Area, and an easement for ingress, egress and access to enter upon any portion of the Property in order to construct, maintain or repair, as necessary, any portion of the Wetlands and Wetlands Buffer Area provided such easement rights shall be exercised in a manner which does not unreasonably disturb use or condition of the Property.

5.2.6 Any amendment of this Declaration which would affect the Wetlands and Wetlands Buffer Area must be approved by Southwest Florida Water Management District.

5.2.7 The Southwest Florida Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the Wetlands and Wetlands Buffer Area.

ARTICLE 6
INSURANCE AND CASUALTY LOSSES

Section 6.1 Insurance. The Wetlands Maintenance Association's Board of Directors or its duly authorized agent shall have the authority to obtain liability, casualty and other insurance as its deems appropriate, the same to be a Common Expense.

ARTICLE 7
NO PARTITION

Except as is permitted in this Declaration or amendments thereto, there shall be no judicial partition of the Wetlands and Wetlands Buffer Area or any part thereof. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

ARTICLE 8
RIGHTS AND OBLIGATIONS OF THE WETLANDS MAINTENANCE ASSOCIATION

Section 8.1 Easement. The Declarant by recording this Declaration is conveying to the Wetlands Maintenance Association a non-exclusive easement to maintain, monitor, repair or replace the portions of the Wetlands and Wetlands Buffer Area owned by Declarant.

Section 8.2 Condition. THE WETLANDS MAINTENANCE ASSOCIATION SHALL ACCEPT "AS IS" THE CONVEYANCE OF SUCH EASEMENT (AND IF AND WHEN REFERRED BY DECLARANT, A QUIT CLAIM DEED TO THE REAL PROPERTY COMPRISING THE WETLANDS AND/OR WETLANDS BUFFER AREA) WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, IN FACT OR BY LAW, WITH RESPECT THERETO, OR WITH RESPECT TO THE IMPROVEMENTS THEREON, INCLUDING, WITHOUT LIMITATION, REPRESENTATIONS OR WARRANTIES OR MERCHANTABILITY OR FITNESS FOR THE ORDINARY OR ANY PARTICULAR PURPOSE, AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES REGARDING REPAIRS OR REGARDING THE CONDITION, CONSTRUCTION, ACCURACY, COMPLETENESS, DESIGN, ADEQUACY OF THE SIZE OR CAPACITY IN RELATION TO THE UTILIZATION, DATE OR COMPLETION OR THE FUTURE PERFORMANCE OR OPERATION OF, SUCH PROPERTY, THE PARCEL OWNER(S), THE NEIGHBORHOOD ASSOCIATIONS, OWNERS OF LOTS AND UNITS, AND THE WETLANDS MAINTENANCE ASSOCIATION RELEASE DECLARANT FROM ANY CLAIMS AND WARRANTY THAT NO CLAIM SHALL BE MADE BY THE WETLANDS MAINTENANCE

ASSOCIATION, NEIGHBORHOOD ASSOCIATION, OWNERS OF LOTS AND UNITS, OR ANY PARCEL OWNER RELATING TO THE CONDITION, OR COMPLETENESS OF SUCH PROPERTY OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING THEREFROM.

Section 8.3 Maintenance and Indemnity. Notwithstanding the fact that Declarant, a Parcel Owner(s) or a Neighborhood Association may retain ownership of the Wetlands and Wetlands Buffer Area, the Wetlands Maintenance Association shall, pursuant to this Declaration, be responsible for the management, maintenance, monitoring and operation of the Wetlands and Wetlands Buffer Area, from and after the date of recordation of this Declaration. The Wetlands Maintenance Association will indemnify, defend and hold harmless Declarant, the Master Developer, the Parcel Owner(s) and the Neighborhood Associations and reimburse the same on demand for, any and all claims, demands, losses, costs, expenses, settlements, obligations, liabilities, damages, recoveries and deficiencies, including but not limited to interest, penalties, attorneys and paralegals' fees and disbursements (even if incident of any appeals), the Declarant, the Master Developer, the Parcel Owner(s) or any Neighborhood Association incurs or suffers which arise, result from or relate to the activities of the Wetlands Maintenance Association after the date of this Declaration other than any act resulting from the gross negligence or willful misconduct by Declarant, the Master Developer, the Parcel Owner(s) or a Neighborhood Association.

Section 8.4 Implied Rights. The Wetlands Maintenance Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

ARTICLE 9 ASSESSMENTS

Section 9.1 Creation of Assessments. There are hereby created Assessments for common expenses for the Wetlands Maintenance Association as may from time to time be authorized by the Board of Directors to be commenced at the time and in the manner set forth in this Article. There shall be three (3) types of Assessments: (a) Common Assessments for Common Expenses for the benefit of all Members of the Wetlands Maintenance Association; (b) Special Assessments as described in Section 9.4 below; and (c) Benefit Assessments as described in Section 9.5 below.

Common Assessments shall be allocated to each of the five Parcels in the following percentages:

- Parcel 1 - 20%
- Parcel 2 - 20%
- Parcel 3 - 20%
- Parcel 4 - 20%
- Parcel 5 - 20%

All Assessments, together with interest (at a rate not to exceed the highest rate allowed by applicable usury law or one and one-half (1 ½) percent per month, whichever is less) as computed from the date the delinquency first occurs, late charges, costs, and reasonable attorney's fees, shall be a charge to the Parcel Owner(s) or the Neighborhood Association. If a Neighborhood Association does not timely pay an Assessment owed to the Wetlands Maintenance Association, the Wetlands Maintenance Association may lien all Units or Lots within that Neighborhood an amount up to one hundred 100% of the Assessment owed by such Neighborhood Association divided among the number of Units or Lots within that Neighborhood. If a Parcel Owner does not timely pay an Assessment owed to the Wetlands Maintenance Association, the Wetlands Maintenance Association may lien the Parcel owned by the Parcel Owner for 100% of the Assessment owed by the Parcel Owner. Such lien is to be effective as of the date of recording.

The Wetlands Maintenance Association shall, upon the written request of any Parcel Owner or Neighborhood Association, furnish, within ten (10) days after such written request a certificate in writing signed by an officer of the Wetlands Maintenance Association setting forth whether any Assessments owed hereunder have been paid. Such certificate shall be conclusive evidence of payment to the Wetlands Maintenance Association of such Assessment therein stated to have been paid.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors. Unless the Board otherwise provides, the Common Assessments shall be paid in quarterly installments, Benefit Assessments shall be paid as incurred, and Special Assessment shall be paid when levied.

Section 9.2 Purpose of Assessments. The Assessments levied by the Wetlands Maintenance Association shall be used for the purpose of promoting the proper maintenance, replacement, repair, management and monitoring of the Wetlands and Wetlands Buffer Area, fulfilling the Wetlands Maintenance Association's obligations under the Permit and in particular for operation of the Wetlands Maintenance Association and fulfilling its Obligations under this Declaration and all documents and agreements executed in connection herewith.

Section 9.3 Computation of Common Assessment. It shall be the duty of the Board annually to prepare a budget covering the estimated Common Expenses of the Wetlands Maintenance Association during the coming year. Any budget adopted by the Wetlands Maintenance Association shall include a capital contribution establishing a reserve fund, in accordance with a reserve budget separately prepared, and shall separately list general and specific expense, if any. The Board shall cause a copy of the budget, and the notice of the Common Assessment amount, to be delivered to each Member at least thirty (30) days prior to the beginning of each fiscal year. The budget and Common Assessments shall be determined by the Board of Directors in their sole and absolute discretion.

Notwithstanding the foregoing, in the event the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then and until such time as a

budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year; provided, however, that upon the adoption of a new budget, the same shall be deemed retroactive to the beginning of the then current budget year and each Member shall pay the increase, if any, in the Common Assessment from the beginning of such year at the time the next quarterly installment is due.

Section 9.4 Special Assessments. In addition to the Assessments authorized by Section 3 hereof, the Wetlands Maintenance Association may levy Special Assessments applicable to that year only.

Section 9.5 Benefit Assessments. The Board of Directors of the Wetlands Maintenance Association may impose a Benefit Assessment upon any Parcel Owner or Member who, by its act or the action of a Unit or Lot owner within the Neighborhood misuses or mistreats the Wetlands and Wetlands Buffer Area, in a manner which increases the maintenance costs to the Wetlands Maintenance Association above that which would result from compliance by the Parcel Owner or Member with this Declaration. The amount of such Assessment shall be equal to such cost increase and may be enforced in the manner provided for any other Assessment. The Wetlands Maintenance Association may levy a Benefit Assessment against any Parcel Owner or Member after notice to the Parcel Owner or Member and an opportunity for a hearing. Reasons for Benefit Assessments shall include, but not be limited to, remedial action, costs and legal fees incurred or anticipated to be incurred by the Wetlands Maintenance Association in enforcing its rights against a Parcel Owner or Member (or Unit or Lot owner under the governance of a Member).

Section 9.6 Lien for Assessments. Upon recording of a notice of lien on any Parcel, Unit or Lot there shall exist a perfected lien for unpaid and future Assessments prior and superior to all liens placed of record after the date of the lien, except all taxes, bonds, assessments, and other levies which by law would be superior thereto.

The lien of the Wetlands Maintenance Association, when delinquent, may be enforced by suit, judgment and foreclosure.

Section 9.7 Reserve Budget and Reserve Contribution. The Board of Directors will prepare a reserve budget which, in the Board's discretion, shall be adequate to provide reserves to replace or provide capital maintenance for the Wetlands and Wetlands Buffer Area. The reserves contribution required shall be fixed by the Board and included within and distributed with the Budget and Common Assessment.

NO REPRESENTATION IS MADE THAT RESERVE AMOUNTS COLLECTED WILL BE SUFFICIENT FOR CAPITAL REPLACEMENTS OR REPAIRS.

Section 9.8 Ten Year Fiscal Program. The Wetlands Maintenance Association has initially established a projected ten year fiscal program for maintenance, operation, repair and replacement of the Wetlands and Wetlands Buffer Area and operation of the Wetlands Maintenance Association, a copy of which is attached as Exhibit "F" to this Declaration.

Amounts anticipated to be necessary to cover expenses set forth in the fiscal program will be collected through Assessments. Although it is anticipated Common Assessments will be sufficient to fund Common Expenses, no representations or warranties are made that Special Assessments will not be necessary. Neither the Wetlands Maintenance Association nor Declarant nor Master Developer makes any representations or warranties concerning adequacy of assessments or accuracy of the ten year fiscal program. Actual operating expenses will vary from the fiscal program and such variances may be material. Neither the Declarant nor the Master Developer nor the Wetlands Maintenance Association have any obligation to update the ten year fiscal program based on actual operations or changes to estimates.

Section 9.9 Date of Commencement of Assessments. Except as specifically provided herein to the contrary, the obligation to pay the Assessments provided for herein shall commence as of the date this Declaration is recorded.

ARTICLE 10 GENERAL PROVISIONS

Section 10.1 Term. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by the Wetlands Maintenance Association or the Member, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years each, unless an instrument in writing, signed by all Members, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

Section 10.2 Amendment. Any amendment to this Declaration shall be executed by all Members. No amendment may remove, revoke, or modify any right or privilege of Declarant or Master Developer without the written consent of Declarant, and Master Developer as the case may be, or the assignee of such right or privilege.

Section 10.3 Indemnification. The Wetlands Maintenance Association shall to the broadest extent possible by applicable statute indemnify and hold harmless every officer, director, and committee member against any and all expenses, including counsel and paralegal fees, reasonably incurred by or imposed upon such officer, director, or committee member in connection with any action, suite, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Wetlands Maintenance Association, and the Wetlands Maintenance Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be

exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled. The Wetlands Maintenance Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 10.4 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Wetlands Maintenance Association unless approved by unanimous vote of the Board. This section shall not apply to suits to seek payment of amounts owed to the Wetlands Maintenance Association or to enjoin violations of this Declaration.

Section 10.5 Dissolution of Wetlands Maintenance Association. The Wetlands Maintenance Association shall not be dissolved nor shall it dispose of its interests in the Wetlands and Wetlands Buffer Area, by sale or otherwise (except to an entity organized for the purpose of owning and maintaining the Wetlands and Wetlands Buffer Area), without the prior approval of all Members and any governmental agencies having jurisdiction over the Properties. In the event of termination, dissolution or final liquidation of the Wetlands Maintenance Association, the responsibility for the operation and maintenance of the Wetlands and Wetlands Buffer Area must be transferred to and accepted by an entity which would comply with Section 40C-42.027, F.A.C., and be approved by the Southwest Florida Water Management District prior to such termination, dissolution or liquidation.

Section 10.6 Notice. There is attached as Exhibit "G" a proposed Notice to Buyers that will be given to prospective buyers regarding the organization of the Wetlands Maintenance Association, Assessments and the Fiscal Program.

Section 10.7 Holdings. There is attached as Exhibit "H" a list of Holdings of the Wetlands Maintenance Association reflecting the permit holdings on the Wetlands Maintenance Association, as proposed.
